Principal’s Message

Value of the Week – Show Care and Compassion

We show care and compassion by helping others, showing kindness and listening to others feelings. When we show care and compassion we develop a sense of empathy and make friends.

TERM 3

Welcome to Term 3 to our returning students and to the new students who are starting their education at our great school. I trust that you have had a restful and enjoyable holiday and are ready for the busy term ahead. We have already completed the final two days of our Track and Field Carnival, which was postponed from Term 2. Results of the Age Champions and the Champion Boys, Girls, Sportsmanship and Overall Trophies will be announced at Parade this week. This term we have a strong focus on our semester academic program, Year 4 Camp, Winterlude, Wakkakiri, Eisteddfod, Disco, Free Dress Days, District and Regional Sports, Brisbane Exhibition Holiday all in the next nine weeks.

SCHOOL UNIFORMS

This period of cold weather has required some extra layers for most students. I must say I still do not understand year 6 boys who only wear their school shorts and polo to school even on the coldest days. If your child needs to wear extra layers, please ensure that they are within the guidelines of the Dresscode. If they are not your child will be asked to remove the item of clothing that does not comply. Beanies and gloves are permitted to be worn to school but are not permitted to be worn during Learning Time as they create a significant distraction for students. All jumpers must be navy in colour. It is encouraged to purchase a school jumper, however not compulsory. Jumpers that are not compliant will be asked to be placed in school bags. Please support the community’s high expectations for our school by continuing to abide by the Enrolment Agreement which every family signed upon enrolling.
BAYVIEW SPORTING HISTORY

On Sunday, BayView Sporting History was made at the Qld School Sport Cross Country Championships. Darcy, Year 5, competed in the 11yrs para athlete race and was placed 2nd. This has qualified Darcy to become BayView’s first Queensland Representative, to compete at the School Sport Australia Cross Country Championships to be held in Melbourne. Congratulations to Darcy on these great achievements.

SCHOOL OPINION SURVEY

Each year our school takes part in the Statewide School Opinion Survey. Each family is requested to complete the survey which allows us to gauge how we are conducting our business in the eyes of our parents. Our staff and a selection of Yr 4/5/6 students are also surveyed. If your family did not receive a survey and you would like to complete one, please make contact with Mrs Myler in Corporate Services.

CLEVELAND DISTRICT STATE HIGH SCHOOL YEAR 7 ENROLMENTS

Enrolment packs for Year 7 in 2016 are currently available from the front office at CDSHS. All 2016 Year 7 enrolment packages must be returned to Cleveland District State High School by 5 August 2015. Parents and students will be notified in writing of the success of their application at the conclusion of Term 3, 2015.

CONCERNS AND ISSUES

Communication is key to good partnerships. The partnership between the parent and the teacher is paramount for the greatest success of every child. The most efficient way to produce an effective partnership is to maintain regular and proactive communication, in both positive and negative circumstances. Communication is best done when there are concerns before they turn into issues. A quick email to your child’s teacher outlining your concern will usually result in a positive result before the involvement of high emotions. Emotive communication, usually has very little benefit for anyone involved. It is paramount that your child is aware of your communication with the teacher as it will strengthen their understanding of the importance of Respect, Responsibility and Accountability.

DADS AND LADS CAMP – NTH STRADBROKE ISLAND

Please see the advertisement in the Community News section for this very worthwhile weekend for Fathers and their sons. Our school has participated in this type of weekend a few years ago with a lot of success. I highly recommend this weekend to all families. Please contact Greg Lees for further information.

Reading Success

I attended a Symposium on reading over the holidays where international researchers presented evidence about what students who are successful readers do. Constantly across all presentations was the notion that successful readers enjoy reading, they have learned to read and use reading for learning. A large amount of evidence also supports the idea that student who enjoy reading general come from environments where family members read for information and enjoyment. We can foster a love of reading in students by:
- reading to them regardless of their age
- letting them see adults read for information and enjoyment

These two simple practices have the capacity to increase a student’s success at reading; it only takes a little time every day.

Every Child is Important

(Information from the Australian Childhood Foundation)

A child’s contribution

As a parent you probably spend much of your time trying to be a good parent, doing whatever you can for your child whilst balancing the needs and demands of a busy life. It is sometimes easy to lose sight of what is important. In the middle of
life’s busy pace, take time out to reflect on the ways your child contributes to your life rather than on what else you can do for your child.

**Children enrich our lives in so many ways**

Children give parents:
- Unconditional love and admiration just for being you
- Trust that you are the strongest, wisest and bravest person in the world
- The chance to be a hero
- The chance to be a child again through sharing in the magic and wonder of their emerging world
- The chance to experience an intensity of emotion and range of strengths and skills that may otherwise have remained hidden from you
- The chance to reflect on your own values, attitudes and assumptions about the world
- The chance to re-experience the joy and pleasure to be found in children’s play
- The chance to share in their fun and their laughter
- The chance to visit your own childhood
- The chance to take time out from being a grown up

One of the greatest gifts parents can give themselves is time with their children. This is what you children will remember most about you in the future.

**Take some time each day to laugh, cry, play, dream, wonder and explore with your child.**

LOTE News

On 17th of July, students from Mandarin learning program did a very successful presentation about Chinese Taiji for Bayview International Day. Taiji has been practising in China for centuries as a martial art and exercise. It means to improve the flow of the internal energy within the human body. Our students did a wonderful demonstration of Chinese Taiji, and they really enjoyed this learning experience.

Thank you to all the students and parents who participated in our International Day. The childrens’ performances were again of a high standard and we look forward to next year’s celebration.

Chappy News

News from Chappy Land!

Term 2 was a great term and I thoroughly enjoyed working with your children. I had the privilege to accompany the Year 5 girls on camp, as well as support the Year 5/6 Newcomb Ball teams at the Cluster Carnival. These events gave me the opportunity to get to know the students and spend quality time in providing them with emotional and social support.

Family Wellbeing Support Program

Did you know that we have a family wellbeing support program that will provide families who are going through difficult times with a few cooked meals through the week? If you are suffering from an illness, the loss of a family member or any difficulties that you just need a little support with cooking at night, please send me an email and our members will cook you a meal.

A Special note of thanks to the members that are part of our Family Wellbeing Support Group. These members took turns to cook a meal once a term for some of our school families. These meals were much appreciated and made a big difference to the families in need. If you would like to get involved in this program to help, please send me an email at mxbri6@eq.edu.au. It is a very rewarding program and only requirement is to cook a meal, once or twice a term.

This term is looking very exciting. I will support the running of the Bayview State School Playgroup as well as run friendship groups and a few new activities during school time.

Uniform Shop

It is easy to order:
Flexischools – there is sizing and photos for each item to help you select the right item and size.

Rainbow Breeze Cafe

Hi Parents/Care-givers

I hope you all had a great break and are all refreshed for Term 3.

We have new items on the café menu, so take a look and check out the changes, especially our NEW homemade chicken patties!!!

As always I am asking for volunteers to help out this term, as unfortunately we had to close one day last term and I don't want that to happen again.

All I ask is for 30mins of your time perhaps twice a term, and if even 50% of the parents can give me that then we will be on to a winner.

I have set up a volunteer roster on FlexiSchools which has 30min time slots so all you have to do when placing an order for your child is hop on there and fill in a time slot, then when I print off the orders it will tell who is helping me on that day.

We don't bark, bite or order people around, it's about supporting your school, getting to know new people and the children really do get a kick out of seeing mum, dad, nanna, pops and even aunties. All you need is a blue card which if you
don't have one I have all relevant paperwork and the best thing is it’s FREE!!!.

So PLEASE think about it and once you’ve been in you'll want to come back!!!

We have the school disco coming up on the 31st July so I am on the hunt for volunteers, if you can help please contact me direct on edibb3@eq.edu.au

As of next week I will be popping our homemade menu items in the newsletter. Thank you for your continued support.

Reminders:

Order cut-off time: The cut off time for lunch orders to be placed via Flexischools is 8.00am, however you may place your next week’s order at any time after cut-off.

- **Sick children / cancelling orders:** If your child is sick and either doesn’t come to school or goes home you
