Principal’s Message

Value of the Week – Be Respectful

We show respect by speaking and acting with courtesy. We treat others with dignity and honour the rules of our family, school and nation. Respect yourself, and others will respect you.

NAPLAN

This week our Year 3 and 5 students are taking part in the National Assessment Program Literacy and Numeracy – NAPLAN. These tests are a nationally recognised assessment tool that identifies where a student achieves at a specific point in the year.

Results are expected to be returned to schools late in Term 3.

The best preparation that each family can give their child/ren is for a good night sleep, a relaxed preparation in the morning before school, a good quality breakfast and to arrive at school by 8.30am. These are all strategies that will reduce any additional anxiety that may be present.

Thank you to every one for the support they have shown our students this week.

Creative Arts Excitement

Next week our school plays host to the FANFARE program. It is a musical competition for school bands and ensembles within our region. This is the first time that BayView has been asked to host this activity and I would invite any community members who would like to be entertained by some talented young musicians, to come along on Monday 16 May. Thank you to Miss Filkorn for her efforts in coordinating this event with our region. Please see specific times later in the newsletter.

P&C Pie Drive

Our P&C work tirelessly every year to raise funds to support your children at this school. Each year $15000 is donated for use in Literacy/Numeracy/Technology and $5000 is available for teacher submissions for smaller projects. Already in 2016 the P&C has approved an additional $7000 to boost our Early Years Literacy program.

Please support their PIE DRIVE so they can continue to support your children.
Cool Weather Uniforms
Please read the Dress Policy regarding acceptable warm clothing for our school. All jumpers must be plain navy, unless they are the school jumper. All long pants or tights must be navy, not black. All undershirts must be navy or white.

Safe travel to and from School
Now is a great time to talk to your children about the safe strategies of getting to and from school. Riding, walking or going in the car, they all have risks. Please discuss them with your child.

Term 2 Attendance
How does the time your child is not at school affect them?

This week you will receive your child’s Term 1 Attendance Report. This report will indicate the percentage of term 1 that your child attended school.

Obviously the closer to 100% that your child can be at school, the better for their learning.

How close to 100% attendance can you make it in Term 2?

Supporting your child with their reading
Parents are important in the development of literacy and numeracy in their children. Research clearly shows that children’s literacy and numeracy development is helped when parents involve children in everyday activities and frequently take advantage of these opportunities to encourage learning. Research also indicates that children who see their parents placing importance on behaviours that encourage literacy and numeracy will be more willing to use these behaviours themselves.

Here a short poem filled with great ways to prompt and help your child when they are reading.

Independent Strategies by Jill Marie Warner
When I get stuck on a word in a book,
There are lots of things I can do.
I can do them all, please, by myself;
I don’t need help from you.
I can look at the picture to get a hint.
Or think what the story’s about.
I can ”get my mouth ready” to say the first letter.
A kind of ”sounding out”.
I can chop up the words into smaller parts,
Like on or ing or ly,
Or find smaller words in compound words
Like raincoat and bumblebee.
I can think of a word that makes sense in that place,
Guess or say "blank" and read on
Until the sentence has reached its end,
Then go back and try these on:
"Does it make sense?"
"Can we say it that way?"
"Does it look right to me?"
Chances are the right word will pop out like the sun
In my own mind, can’t you see?
If I’ve thought of and tried out most of these things
And I still do not know what to do,
Then I may turn around and ask
For some help to get me through.

At school we teach all of these strategies and more to support your child with the development of their literacy skills. It’s great to hear them talk about the variety of strategies they have used. Sounding words out is only one strategy – and one of the hardest. Try talking to your child about the different ways they have learned to work out words when they read. Most of all – PRAISE, PRAISE, PRAISE – reading should be fun!

End of Semester Report Cards – VIA EMAIL
This Semester, we will be introducing the delivery of Report Cards via email.
Could all parents please ensure that you have added ONESCHOOL@dete.qld.gov.au to your safe senders list. This will ensure that report cards are not delivered to your junk box.

Could all parents/carers PLEASE CHECK that your email addresses are up to date? If you need to make a change or double check, please email Mandy on mmyle1@eq.edu.au.

This year, due to our growing numbers, Prep, Year 1 and Year 2 will be participating in their activities within their own year levels.

Where?
- **Prep students** will be free to move around the Prep classrooms to the various activities.
- **Year 1 students** will **ROTATE** around 4 activities every half hour in and outside of the Year 1 classrooms.
- **Year 2 students** will **ROTATE** around 4 activities every half hour in the **HALL**.

**What else is happening for parents?**
Artwork by the students in Prep to Year 2 will be displayed in the **ART GALLERY** which will be situated in the Discovery Centre. During the morning, please drop in and view the wonderful art pieces the children have created!

**Rainbow Relaxations Term 2**

Rainbow Relaxations is very excited to inform the wonderful community at BayView State School that we currently have spaces available.

As there are limited spots within each class, it has been a little tricky for new people to come on board. This Term is a great time to come along and try a class and offer your child the opportunity to experience a place of focus, joy, peace and calm - through learning mindfulness combined with the use of the colours of the Rainbow.

The classes are held after school on a Monday in the Music room at BayView State School.

**The Rainbow Class (age 5 - 8) 3-4pm**
**The Sunshine Class (age 9 - 13) 4-5pm**

This is an afterschool activity where your child will attend once and will want to continue for the rest of their school days ☺️ I’m not joking, that is what the kids say to me!

For more details or to book your spot today please call Marie 0402416132 or email: rainbow.relaxations@live.com

I look forward to meeting you very soon ☻ Marie
