**Principal’s Message**

By Peter Black

**Term 3**

**Welcome to Term 3** to our returning students and to the new students who are starting their education at our great school. I trust that you have had a restful and enjoyable holiday and are ready for the busy term ahead. We have already completed the final three days of our Track and Field Carnival, which was postponed from Term 2. Results of the Age Champions and the Champion Boys, Girls, Sportsmanship and Overall Trophies were announced at Parade today. Please see the PE Report for these results.

**Our School Review – an opportunity to have your say.**

Our school is scheduled for a school review from 25th – 27th July. The Department of Education and training introduced new performance reviews for Qld state school in 2015. The reviews are conducted by the department’s School Improvement Unit. The reviews do not rate or compare schools but provide independent and quality feedback to help schools continue to improve outcomes for students. All Schools have a review at least every 4 years. Key findings from the review are made available to parents and the community on the school’s website. As part of the review, the review team would like to hear from our school community and I encourage anyone who is interested to have their say. Your feedback is important and will help us continue to deliver a quality education for students. Feedback can be provided to the review team by phone or in person, either individually or in the Parent group Forum. These will held on Tuesday 26
July at 8.30am or 3.00pm. Each session will be 30mins. If you are interested in speaking to the reviewers, or would like more information about the review process, please contact the school.

School Opinion Survey
Each year our school takes part in the Statewide School Opinion Survey. Each family is requested to complete the survey which allows us to gauge how we are conducting our business in the eyes of our parents. Our staff and a selection of Yr 5 & 6 students are also surveyed. If your family did not receive a survey and you would like to complete one, please make contact with Mrs Myler in Corporate Services.

School Uniforms
This period of cold weather has required some extra layers for most students. I must say I still do not understand year 6 boys who only wear their school shorts and polo to school even on the coldest days. If your child needs to wear extra layers, please ensure that they are within the guidelines of the Dress code. If they are not your child will be asked to remove the item of clothing that does not comply. All jumpers must be navy in colour. It is encouraged to purchase a school jumper, however not compulsory. Jumpers that are not compliant will be asked to be placed in school bags. Please support the community’s high expectations for our school by continuing to abide by the Enrolment Agreement which every family signed upon enrolling.

Yr 7 Enrolments
Enrolment packs for Year 7 in 2017 are currently available from the front office at CDSHS. All 2017 Year 7 enrolment packages must be returned to Cleveland District State High School by 5 August 2016. Parents and students will be notified in writing of the success of their application during the September School holiday.

A Parent Information Session is being held on Wednesday 27th July in the Hall at 7pm. Contact Cleveland DSHS office on 3824 9222 for further information.

Concerns & Issues
Communication is key to good partnerships. The partnership between the parent and the teacher is paramount for the greatest success of every child. The most efficient way to produce an effective partnership is to maintain regular and proactive communication, in both positive and negative circumstances. Communication is best done when there are concerns before they turn into issues. A quick email to your child’s teacher outlining your concern will usually result in a positive result before the involvement of high emotions. Emotive communication usually has very little benefit for anyone involved. It is paramount that your child is aware of your communication with the teacher as it will strengthen their understanding of the importance of Respect, Responsibility and Accountability.

Before and After School Behaviour and Expectations
At BayView we have a number of procedures in place to reinforce behavioural expectations of students and to ensure students safety before and after school.

All students from Prep to Yr 6 who are at school before 8.15am are expected to meet in the Central Covered Area. While waiting there all students are expected to sit quietly and talk with their friends. At 8.15am a member of staff will release students to move to their classrooms, sit quietly and talk with friends or play a game of handball. All students including those accompanied by parents are expected to follow this procedure. This ensures consistency of behaviour across the school and is essential to educating our younger students about school expectations from the beginning of their school years at BayView.

After school all students are expected to exit the school in a timely and orderly fashion, again following
the behaviour expectations of BayView. All students including those accompanied by parents are expected to follow this procedure. This includes remaining under the close supervision of parents/caregivers, no running on the paths outside classrooms, staying off the playground equipment and keeping shoes on. These expectations again are essential in ensuring consistency of behaviour throughout the school and maintain the safety of our students.

Your support in assisting your child to adhere to these expectations is appreciated.

Kiss and Ride

Thank you to the drivers of the cars who are displaying child/family name on the sun visor of their car. Your attention to this – it has made our job easier and has added to the efficiency of the system and the safety of the students.

Please remember

The processes and procedures for the use of the car park and kiss and ride have been developed with one thing as a priority... the safety of children.

Please observe the speed limit in the car park and when entering kiss and ride... children are unpredictable.

Please do not use your mobile phone in any way while you are in your car... this is an expectation as a road user.

If you park your car in the carpark you WILL need to walk into the school to collect your child... they are NOT allowed to go into the carpark area without an adult... please refrain from parking and then calling your child across to you.

Once you have collected your child please return to your car and leave the carpark area... this space is not a safe place for children to play and run around while adults have a conversation.

I have had many conversations explaining these expectations to parents.

These expectations are not new; your child’s safety far outweighs any inconvenience you may experience.

I appreciate the support of our school community in making this process efficient and safe for everyone.

Corporate Services News

Medication at School

If your child requires medication during school hours, please deliver it to Corporate Services. All medication must have a pharmacy label and must be accompanied by a letter from your GP. Without this letter and pharmacy label we are not permitted to administer medication.

Payment Methods for Student Activities

Our preferred method of payment is by EFT. BayView State School’s account details are on the cover page of this newsletter. Please include the student’s name and a reason for payment as a reference so we can identify the payee. Eg (J Smith, Music Camp). We kindly ask that you refrain from using BPAY as a payment option.

Stop Parking near Crossings

While children are being picked up or dropped off, some cars either stop or park in the area immediately adjacent to a children’s crossing. Section 171 of the Queensland Road Rules states that a driver must not stop on a children's crossing while the flags are displayed, or on the road, within 20m before or 10m after the crossing.
The “no stopping” area in the diagram above may be marked by signs or a painted yellow edge line. If there are no signs or lines drivers/riders still cannot park all the way up to a crossing, the driver must still be at least the proper distance from the crossing. Lack of car parking is an issue at most schools and parking in “no stopping” areas contributes to the problems of congestion and lack of visibility for pedestrians and motorists. This lack of visibility is a major contributing factor to possible dangerous situations at these crossings.

If you drive where there are supervised crossings please be aware of the following:

- Wait until the children and crossing supervisor have walked to the other kerb
- Don’t stop when the crossing supervisor is on the kerb or footpath
- Stop when the supervisor walks onto the road with the stop sign

If you would like more information on this or any other road/child/bike safety or other transport issue, please phone your Road Safety office on 1300 360 135.

Mandarin
BayView State School offers Mandarin as an extension program to students from Year 4 to Year 6. The beginner group have only been learning Mandarin for 1 semester, and they performed a wonderful piece for the awards parade last term. The students sang a popular song to welcome the Spring in Mandarin dressed in traditional Chinese costume. The presentation was very successful. The students are really enjoying their learning and performing and we are very proud of their success this year.

After School Lego Workshops at Bayview State School
Air Land, and Sea, After School Lego Program from Tuesday, 26 July 2016 - Tuesday, 6 September 2016
3 pm - 4 pm
Cost is $78.00 per student for full 6 week term
At Bayview State School in the Discovery Centre.

Air Land & Sea - Step aboard to build some exciting ways to get from here to there. Take to the sky in our Bricks 4 Kidz helicopter model, race across the beach in an ingenious land sail, or zoom through the water on a jet ski. Kids will learn what makes each machine unique and how it moves, exploring concepts such as buoyancy, propulsion, lift and g-forces! What other ways will you invent to travel through air, land and sea? Whether you’re a high speed thrill seeker or just curious about how things work, this unit offers something for everyone.

Please note this is a 6 week term only. After school workshops will be held in the Discovery Centre, situated in the Computer Lab.

Enrol and pay for the full term from week 1 and pay only $13.00 per week per student or $14.50 per week per student on a casual basis. We also accept enrolments through the term so come and try. We’d love to see you!

Please note this is a 6 week term only!

School Dental Services
Your whole family could be eligible for FREE dental care!
Metro South Health provides free oral health services to children and adolescents throughout this region. You can now book appointments for all eligible members of the family at a time and location convenient for you.
Please phone 1300 300 850 to arrange an appointment. A parent of guardian is required to attend every appointment with their child.
Support the P&C with their next major fundraiser for the year. Each family/member who sells or purchases a complete book of raffle tickets will receive a motivational support wristband and will go into the draw to win an iPod Shuffle 2GB.

Tickets for our Major Raffle will be on sale from Wednesday morning this week at the school’s main entrance.

Tickets are limited so get in quick!
