NAPLAN Reports
All Year 3 & 5 students who sat the NAPLAN Tests in May will received their NAPLAN Reports this Friday. Please email the classroom teacher if you would rather collect in person or if you have any queries regarding Naplan. If you require a duplicate copy please contact Mrs Myler in Corporate Services. Please also see a message attached from Dr Jim Watterston Director-General regarding NAPLAN.

Year 4 Camp
I have joined our Year Four students at Camp Maranatha, Yandina this week. They will take part in a range of team and individual activities that will challenge their self-belief and trust in others. We are returning to school on Friday at approx. 2.40pm.

Sickness Checks – Coughs and Colds
To assist with the control of the spread of coughs and colds this winter please discuss strategies with your children. Coughing, sneezing and not washing hands following toilet use are some of the most common ways to spread personal germs.

If you are contacted and asked to collect your child due to illness, please consider taking them to a medical practitioner before returning to school, if you believe it is appropriate.
The Australian Curriculum, Assessment and Reporting Authority (ACARA) released the 2016 NAPLAN results, which show that Queensland has continued to achieve some of its best results across all year levels since NAPLAN began.

These results confirm what we have seen across many other local and statewide indicators — the hard work of Queensland teachers and students is paying off.

Our strongest results were in the Year 3 and Year 5 cohorts, where Queensland achieved some of its highest ever rankings against the national minimum standards (NMS). Highlights of Queensland’s NAPLAN results include:

- ranking first nationally in Year 3 Grammar and Punctuation (the first time that Queensland has ever ranked first in a test area)
- ranking second nationally in Year 3 Reading and Numeracy
- ranking second nationally in Year 5 Grammar and Punctuation
- ranking second nationally in Year 7 Spelling.

There are a wide range of views about the role and purpose of national assessment, but without doubt it provides educational leaders, and society more broadly, with an idea of what effect our efforts are having on each student’s performance in skills necessary for everyday life: reading, writing, spelling and numeracy.

What NAPLAN tells us is that the leadership of principals, the dedication and perseverance of teachers and the hard work of Queensland students has been rewarded with performance gains relative to our peers around the country. Since Queensland’s relatively low baseline performance when NAPLAN began in 2008, we have travelled a steady and continuing improvement journey that now sees us as the most rapidly improving jurisdiction in the country.

I congratulate all staff and students on another year of significant and sustained improvement, which has been demonstrated not only in NAPLAN results but in many other achievements throughout the year.

Warm regards
Dr Jim Watterston

Why is parent engagement important?

When parents are involved in their children's education at home, they do better in school. And when parents are involved in school, children go farther in school and the schools they go to are better (Henderson & Berla, 1994, p.15).

A significant body of both international and Australian research has found correlations between parent/family engagement in children's education and schooling, with indicators such as:

- improved school readiness
- higher retention and graduation rates
- enhanced cognitive development and academic achievement
- higher motivation and greater ability to self-regulate behaviour
- better social and relationship skills.

There are many ways you can be involved in your child’s schooling.

- Meet your child's teacher – making contact with your child's teacher lets your child see that you are interested and that everyone is working together.
- Get to know who's who at your child's school – there are many people at your child’s school who are there to help your child. It’s a great idea to find out who’s who to be able to access support when needed.
- Attend parent-teacher interviews and keep in touch with your child's teacher – we offer formal interviews twice a year and encourage all parents to take up this offer. If you have any concerns or questions make an appointment with your child’s teacher to discuss this further.
- Attend school events – we have a variety of events at BayView which are regularly advertised in the newsletter.
- Read the information the school sends home.
- Attend P&C meetings

Your child benefits greatly by your involvement in our school. We acknowledge that for a variety of reasons this can be tricky for some families, however we encourage you to be involved in whatever way best suits you. The partnership between family and school leads to the best learning outcomes for your children.

Curriculum Corner

Throughout this term I will be discussing ways that you can support your child’s learning.

Parent Engagement in Children’s Learning: Parents, family and carers are a child’s first and most important teachers and can be a positive influence and help their child do well at school. The Australian Government has compiled some useful information to assist parents to better engage with their child’s learning.

What difference can I make to my child’s learning?

Parents, families and carers are some of the most important influences on a child’s education. When parents and carers are engaged in their child’s education, the child is more likely to attend school and do better. Research conducted in 2012 by the Australian Research Alliance for Children and Youth on behalf of the Family-School and Community Partnerships Bureau confirms that high levels of parent and community engagement have a major impact on a child’s success at school. Parent engagement is important. It is a powerful way to improve the educational achievement of a child and it works no matter what background a parent has.

Many studies have found that students with engaged parents, no matter what their income or background is, were more likely to:

- get higher grades and test scores, and enrol in higher-level programs
- be promoted, pass their classes, and earn credits
- attend school regularly
- have better social skills, show improved behaviour, and adapt well to school
- graduate and go on to postsecondary education.

Did you know?

One of the most important factors for improving the educational outcomes of a child is parent engagement.

Chaplaincy News
By Leslie McMillan

SU QLD chaplains, or ‘chappies’, provide spiritual and emotional support to school communities. They are in the prevention and support business: helping students find a better way to deal with issues ranging from family breakdown and loneliness, to drug abuse, depression and anxiety. They provide a listening ear and a caring presence for kids in crisis, and those who just need a friend. They also provide support for staff and parents in school communities.

Over 67% of Queensland State Schools have a Chappy. That leaves around 400 state schools without a chappy! SU QLD has placed chappies in 63% of all Queensland state primary schools and in 88% of all Queensland state high schools. Right now, our chappies are serving over 400,000 Queensland students.

You can help!

The federally funded National School Chaplaincy Program has been a great help, but not all school chaplains receive government funding… and it is important to note that the NSCP program is only meant to be a contribution towards the costs of a chaplaincy service.

To ensure local chaplaincy services remain sustainable, local community support is vital. SU QLD supports the initiative by appointing, training and equipping school chaplains.

Your support can help keep chappies in schools… and continue to bring hope to a young generation. Support our chaplaincy program. Your change helps make a difference in young people’s lives. (Collection money box for your change is at Corporate Services).

Thank you!

Breakfast Club – Food, Fun & Fellowship!
The Chaplaincy Breakfast Club is up and running again this term. Children are welcome to join me for breakfast every Tuesday morning in the advancement centre from 7.30am. My heart and vision for our breakfast program is that we expand to students not just for breakfast but for all to come together for FOOD, FUN and FELLOWSHIP. A time for the school community to have breakfast with each other and enjoy each other’s company.
A big thank you Mr Peter Houliston, from LJ Hooker Cleveland for sponsoring our Meal Program & Breakfast Club.

Brumby’s Victoria Point are no longer able to supply us with Bread for our Chaplaincy Program Breakfast Club. I would like to thank Victoria Point Brumby’s for their continued support of this program until this point.

Major Fundraiser
The response to the Gold Coast Holiday Raffle has been fantastic!!
Every single ticket sold raises money to go towards the building of our all-weather surface Multi-Purpose Courts (netball/tennis/volleyball/badminton). We have less than 20 books left. If you are interested in being part of this effort, please see the team in Corporate Services or grab one of the Fundraising Team when you see them around.

As part of the conditions of being part of this Raffle Fundraiser we are required to account for each ticket issued. We would be grateful if you could please return all monies and tickets (including any unsold tickets), to Corporate Services by 19th August. The winner will be drawn on Parade on Tuesday 23rd August.

The raffle prize is for two (2) nights at the world famous 4 ½ star Sea World Resort & Water Park on the Gold Coast for two (2) adults and two (2) children including one day entry to Sea World, $100 credit for food and beverage at Sea World Resort & Water Park and a $100 Caltex cash card.
Also on offer are the following incentive prizes:

BOOK SELLER’S PRIZE
Each family/member who sells or purchases a complete book of raffle tickets will go into the draw to win an iPod Shuffle 2GB.

INDIVIDUAL PRIZES
Each family/member who sells or purchases a complete book of raffle tickets will receive a motivational support wristband. We thank you in advance for continuing to support our school fundraising efforts. Happy Fundraising!

Rainbow Breeze Café
By Emma Dibbs
Welcome to week 5 and thank you for your continued support across both Café and Uniform shop.
We welcomed back existing volunteers, but with a school of nearly 700 pupils we only have 6 volunteers and really could do with more. So if you have 30min spare or even a couple of hours to help prep and cook your children’s lunch food it would be greatly appreciated, it’s not just a case of making sandwiches we are constantly on the go!!!!
Due to the success of the Chinese option for international food day we have decided to bring back the Treasure chest fried rice. This will be available from Wednesday 3rd August 2016 and the cost is $3.20 with the option to add a soy sauce sachet for 0.30C.

Don't forget Sushi Thursday and Sushi Friday every week, all you need to do is have your order in by the following times and days and leave the rest up to us.

Thursday sushi = order by 12pm lunchtime on Wednesdays
Friday sushi = order by 12pm lunchtime on Thursdays

We are now able offer our customers a pay pass option in Uniform Shop. We have been waiting patiently for our upgrade and we now have it (happy dance) so hopefully this will make your uniform shop experience a better one with less hassle.

We have the school disco coming up on the 18th August so any volunteer help manning the café would be greatly appreciated. If you are interested please contact me on edibb3@eq.edu.au
Thank you once again for your continued support across both shops

Priority One - For Kids Transitioning into High School

Priority One is an exciting youth group exclusively for those in their last year of primary school. It is a unique group because it runs for only one year, with a new group of students starting each year. This gives students a chance to build a group of friends with whom they share the journey of finishing Primary School and settling into High School.

The 2016/2017 group for P1 is running 6pm-7:30pm every Friday evening (during school terms) at Cleveland Uniting Church, at a cost of $4 per child per session. (Price includes dinner)

If you think your child would benefit, contact Stephen Rothery on 0411 714 201
