Value of the Week
Be Respectful
We show respect by speaking and acting with courtesy. We treat others with dignity and honour the rules of our family, school and nation. Respect yourself, and others will respect you.

Principal’s Message
By Peter Black
Term 3

Year 4 Camp
Our Year 4 campers returned on Friday afternoon from three days at Camp Maranatha. Activities included Jungle Ropes, Leap of Faith, Bridge Building including tying a Clove Hitch and a bush walk using their senses. The weather was sensational and the food was pretty good as well. I attended camp for 3 days and enjoyed seeing the children engaging with the activities. Congratulations and thank you to all the teachers involved in taking these students away for their camping experience.

Community Care
Our community continues to show a great deal of care and compassion to individuals and families who require it on so many levels.

I would like to thankyou all those who have sent messages of support to me during the past few weeks following the passing of my father. We all know how difficult these times can be and to know that there are so many caring people within our community makes this time bearable.

Term 3 Behaviour
At the beginning of term I discussed, on parade, the need for our students to reflect on our school values and how they influence our individual and group behaviours. I ask that each family have a conversation about the display of these values to assist in the management of appropriate behavior at school.

P&C General Meeting
Our August meeting will be held tonight with a presentation regarding the school’s direction and use of iPads in classrooms and reason behind this strategy.

Ready! Set! Prep!
On Tuesday we hosted our first Ready! Set! Prep! session for our new Prep children for 2017. Approximately 55 children joined in some fun literacy activities with the Prep staff. There was storytelling, drawing, cutting, face painting and collaging for the children to engage with. Parents spent some time discussing early literacy development and the things they could be doing at home to help out with this. There were lots of happy children and parents at the end of the session.

These sessions are a great way to introduce your child into the Prep environment in a supported and fun way. They get to meet some friends who they may be sharing a class with and get to know some of the staff.

The information sessions for parents give them some information about how they can support their child in this area, as well as ask any questions they may have.

The main message from this week’s session on Early Literacy development is to focus on oral language. LOTS of talking with your child. LOTS of reading to your child. More conversation and interacting; and less screen time will increase children’s oral language development. Research shows that children with strong oral language are generally successful readers and writers.

We will be hosting three more sessions this year. Bookings are essential. Please contact Corporate Services to reserve your place.

Parent Engagement in Children’s Learning
Throughout this term I will be discussing ways that you can support your child’s learning.

Parent Engagement in Children’s Learning: Parents, family and carers are a child’s first and most important teachers and can be a positive influence and help their child do well at school. The Australian Government has compiled some useful information to assist parents to better engage with their child’s learning.

It Is Important To Be At School Every Day

To get the most out of a good education, children need to go to school every day. School attendance has a major influence on educational outcomes. Students who attend school regularly are more likely to achieve better results at school and are more likely to complete their schooling. Parents can make it easier for their child to attend school by having a positive attitude to learning and education.

Poor school attendance patterns can start as early as Year 1. It is important that from the first day of school parents set an expectation that their children will be at school every day. Missing an average of ten days of school a term adds up to missing two full years of schooling by the end of Year 10. During the transition from primary to high school or another school parents need to be clear with their child that they expect the child to attend school every day.

TIPS - THINGS YOU CAN DO TO SUPPORT SCHOOL ATTENDANCE

✓ Talk positively about attending school and learning
✓ Help your child get into a routine for getting ready to go to school stress-free
✓ Help your child to get ready for school in the morning
✓ Talk about the positive social aspects of the school environment:
  Friends
  Favourite classes
  Favourite teachers

**Medication at School**

If your child requires medication during school hours, please deliver it to Corporate Services. All medication must have a pharmacy label and must be accompanied by a letter from your GP. _Without this letter and pharmacy label we are not permitted to administer medication._

**Payment Methods for Student Activities**

Our preferred method of payment is by EFT. BayView State School’s account details are on the cover page of this newsletter. Please include the student’s name and a reason for payment as a reference so we can identify the payee. Eg (J Smith, Music Camp). _We kindly ask that you refrain from using BPAY as a payment option._

**Lost Property**

Please remember to label your children’s items so that they may be returned. Unnamed items of lost property are piling up! All unclaimed items will go to charity at the end of term.

**Redgum Bookclub**

Redgum Bookclub brochures were sent home last week. Orders must be placed online by Friday 19th August.

Redgum Book Club newly released books for term 3:

- Harry Potter and the Cursed Child. The most famous boy wizard in literature is back!
- The BFG (Film tie-in). One of Roald Dahl’s most loved books is now a major motion picture.
- The 78-Storey Treehouse. The highly anticipated sixth book in the Treehouse series!
- The First Hippo on the Moon. From number one bestselling picture book duo, David Walliams and Tony Ross, comes this explosively funny space adventure for young children.

**Book week 2016 – Australia : Story Country**

Our book week celebrations will be on Wednesday 14th September. There will be 2 performances at school that day. Prep-Year 3 will attend the 9.45am performance (targeted at the younger children) and Year 4-6 will attend the 11.45am performance (targeted at older students) in the hall. More information about payment for this performance will be sent out closer to the time.

This day (Wed 14th Sept) will also be our day to come dressed as your favourite book character for the whole school.

The short-listed books for this year are on display in the Discovery Centre.

This is your new display for the book week theme, Australia : Story Country.

Year 4 Camp Maranatha

On Wednesday the 10th of August 107 year 4 students adventured on the bus to their first camp experience. There was much anticipation and excitement as we set off to Camp Maranatha on the Sunshine Coast. The camp consisted of many different activities that encouraged teamwork, cooperation and extending individual communication skills all slightly outside of their comfort zone. All students had a wonderful time and formed new friendships with people outside of their class group. They were responsible for serving and cleaning up meals and the all exciting cabin inspections. All students did themselves proud and showed their Bayview values to their fullest while away. Thank you to all staff and parents who made this camp possible and an enjoyable experience for all.
Congratulations Noah
Noah was recently successful in trialing for the U35kg Wynnum Manly District Representative Rugby League Team who travelled to Millmerran during the June school holidays. Wynnum Manly played against regional teams; McIntyre, Balonne-Barwon, Western Downs, Central Downs, Charleville, Cunnamulla & Roma. Noah played exceptionally throughout the week and the team achieved an amazing result going through undefeated winning the entire carnival. This was topped off by Noah being named as Forward of the Carnival out of over 120 players. Well done Noah!

Run Club
See you all at Run Club on the oval every Tuesday and Thursday morning at 7.30am

Chaplaincy News
By Leslie McMillan

SU QLD chaplains, or ‘chappies’, provide spiritual and emotional support to school communities. They are in the prevention and support business: helping students find a better way to deal with issues ranging from family breakdown and loneliness, to drug abuse, depression and anxiety. They provide a listening ear and a caring presence for kids in crisis, and those who just need a friend. They also provide support for staff and parents in school communities.

Over 67% of Queensland State Schools have a Chappy. That leaves around 400 state schools without a chappy! SU QLD has placed chappies in 63% of all Queensland state primary schools and in 88% of all Queensland state high schools. Right now, our chappies are serving over 400,000 Queensland students.

You can help!

The federally funded National School Chaplaincy Program has been a great help, but not all school chaplains receive government funding... and it is important to note that the NSCP program is only meant to be a contribution towards the costs of a chaplaincy service.

To ensure local chaplaincy services remain sustainable, local community support is vital. SU QLD supports the initiative by appointing, training and equipping school chaplains.

Your support can help keep chappies in schools... and continue to bring hope to a young generation. Support our chaplaincy program. Your spare change helps make a difference in young people’s lives. (Collection money box for your spare change is at Corporate Services).

Thank you!

Breakfast Club

Food, Fun & Fellowship for all Students!

The Chaplaincy Breakfast Club is up and running again this term. Children are welcome to join me for breakfast every Tuesday morning in the advancement centre from 7.30am. My heart and vision for our breakfast program is that we expand to students not just for breakfast but for all to come together for FOOD, FUN and FELLOWSHIP. A time for the school community to have breakfast with each other and enjoy each other’s company.

A big thank you Mr Peter Houliston, from LJ Hooker Cleveland for sponsoring our Meal Program & Breakfast

Rainbow Breeze Café
By Emma Dibbs
Welcome to week 6 and thank you for your continued support across both Café and Uniform shop.
We welcomed back existing volunteers, but with a school of nearly 700 pupils we only have 6 volunteers and really could do with more. So if you have 30min spare or even a couple of hours to help prep and cook your children’s lunch food it would be greatly appreciated, it’s not just a case of making sandwiches we are constantly on the go!!!!
Due to the success of the Chinese option for international food day we have decided to bring back the Treasure chest fried rice. This will be available from Wednesday 3rd August 2016 and the cost is $3.20 with the option to add a soy sauce sachet for 0.30C.
Don’t forget Sushi Thursday and Sushi Friday every week, all you need to do is have your order in by the following times and days and leave the rest up to us.
Thursday sushi = order by 12pm lunchtime on Wednesdays
Friday sushi = order by 12pm lunchtime on Thursdays
We are now able offer our customers a pay pass option in Uniform Shop. We have been waiting patiently for our upgrade and we now have it (happy dance) so hopefully this will make your uniform shop experience a better one with less hassle.

We have the school disco tomorrow night, the 18th August so any volunteer help manning the café would be greatly appreciated. If you are interested please contact me on edibb3@eq.edu.au
Thank you once again for your continued support across both shops

**MS Readathon turns 37!**

It’s that time of the year again so dust off your books, Kindle, Pad or tablet and get ready to take part in the MS Readathon. The MS Readathon was launched 37 years ago in Australia and over the years thousands of students have picked up their books and raised over $40 million - all to support Australians living with MS.

Registrations are now open at [www.mreadathon.org.au](http://www.mreadathon.org.au)

The program is open to all ages, and we encourage everyone to register and fundraise. As little as $50 will help a newly diagnosed person attend an information session where they can learn about their diagnosis and get much needed support.

Certificate of Appreciation will be awarded to all students and schools and the Top 100 individual fundraisers will each receive their own digital table!

Detra Occupational Therapy Services for kids is delighted to be able to offer Occupational Therapy to the Roddards Area.

If your child is experiencing difficulty in the following areas, then Occupational Therapy may be something to consider.

How can Occupational Therapy help children?

**Gross motor Skills** — difficulties with balance, jumping, hopping, skipping, running, may appear clumsy and uncoordinated.

**Fine motor Skills** — struggle to hold a pencil easily and write, difficulty using scissors and generally avoid activities that require dexterity and strength of the hands.

**Visual Perception Skills** — a child who has poor Visual Perception skills may have difficulty learning sight words, difficulty copying off the board, reverse letters, difficulty attending and concentrating on visual tasks.

**Sensory Processing** — if a child is having difficulty processing and regulating their sensory needs, especially in a classroom it is likely to impact on their learning and behaviour.

Please see my website for further details and feel free to contact me with any questions!

Kind Regards

Debbie Elington
