Welcome
I would like to welcome everyone to BayView State School for 2017. I trust that you had a restful and enjoyable holiday period. During this period a variety of family information can change. It is imperative for you to share with the school this information so that we have up to date records and an understanding of situations that impact on your child’s life.

Reference: http://www.virtuesproject.com/virtues.html
BayView Values

The BayView Values are a set of nine values based on the National Framework for Schools. The nine values are:

<table>
<thead>
<tr>
<th>WEEK</th>
<th>VALUE</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>Introduce ALL Values</td>
</tr>
<tr>
<td>2</td>
<td>Be Respectful</td>
</tr>
<tr>
<td>3</td>
<td>Be Responsible</td>
</tr>
<tr>
<td>4</td>
<td>Be Honest and Trustworthy</td>
</tr>
<tr>
<td>5</td>
<td>Show care and compassion</td>
</tr>
<tr>
<td>6</td>
<td>Show understanding, tolerance and inclusion</td>
</tr>
<tr>
<td>7</td>
<td>Show integrity</td>
</tr>
<tr>
<td>8</td>
<td>Give your best</td>
</tr>
<tr>
<td>9</td>
<td>Give everyone a fair go</td>
</tr>
<tr>
<td>10</td>
<td>Celebrate freedom</td>
</tr>
</tbody>
</table>

This sequence is used by the entire community in delivering a consistent message regarding our Values. Teachers are required to explicitly teach each of the Values as prescribe in the Sequence Chart above. To support this teaching sequence, the community will be informed of the Value of the week and this shall be discussed through the newsletter, the notice board and parade. From Term 2, classes will perform a skit at parade, of varying forms, to explain the Value of the Week to the school Community. I encourage you to discuss these with your children each week.

All members of our school community are expected to demonstrate our Values. Parents are expected to demonstrate these values inside our school when speaking with others and when choosing the style of fashion to wear to school activities, ie. Please consider the slogans that are printed on vehicles and clothing that may be inappropriate for children to view.

This week’s value - Be Respectful
We show respect by speaking and acting with courtesy. We treat others with dignity and honour the rules of our family, school and nation. Respect yourself, and others will respect you.

Parade
Parade will be held on Tuesday afternoon from 1:45pm in the Multipurpose Hall.

Bikes, Scooters and Skateboards
Students are only permitted to ride bicycles to and from school. Skateboards and Scooters are NOT permitted at BayView State School.

Students must walk their bikes at all times when inside the school grounds. This includes the footpath from the Staff Carpark crossing across the front of the school. All students who are riding bikes must comply with the law and wear an approve helmet at all times.

Students are not permitted to ride Scooters and Skateboards to BayView State School due to the high risk of injury, to the individual and to smaller children that can occur along our school pathways inside the school.

Please discuss any concerns you have with one of our Administration Team.

NO PETS

No pets are permitted into the school grounds without express permission from the Principal. All pets are cuddly and beautiful with their owners, however some do not like crowds and noise and become scared and anxious, especially before and after school.

Some children become very scared just at the sight of various animals, including puppies. Some are also allergic.

For the benefit of children and animal, the school rule is NO Pets at school.

If your child would like to bring an animal to show their class, then express permission must be sought and the animal must be brought in by a responsible adult, secure at all times and then taken off site as soon as the presentation has concluded.

Late Arrivals
When your child is late it affects the whole class. Your child can be anxious about walking into the classroom or to PMP and having everyone looking at them. It disturbs the general progress of the class at this time of morning and the concentration on the task that is or has been set. Students can also be confused as to where their class is, as the location of PMP activities varies.

There is the occasional time where something has occurred and you may be running late, however your morning plan should be to have your child at school well before the 8.35am bell. Any time after this bell and you are disadvantaging your child.

ALL late arrivals are required to report to the Corporate Service Centre to receive a late slip to hand to their class teacher.
School Finishes at 2.40pm

Parents/Caregivers are expected to have their children collected from school as soon after 2.40pm as possible. Staff supervise the Pick Up Zone until 3pm.

Student Displays

Student Work is displayed in the Corporate Services Office on a Year Level Rotation throughout the term. Parents and Carers are welcome to come and admire their children’s work.

Fruit Break

Our daily Fruit Break is designed to allow students to quickly refuel their bodies at approximately 10am each week day. It is expected that ALL students bring a piece of fresh fruit to eat at this time. No other foods are permitted at this time.

As part of our ‘Fill the Gap’ program, some fruit is available for families who are experiencing financial difficulties. Unfortunately, some students choose to collect this fruit from the office rather than consume the fruit that is supplied from home.

Class Teachers will be speaking with their classes regarding the integrity of this program. I would appreciate it if all parents/caregivers would also speak with their children around using this program appropriately so that the food is available for those who are in need.

Car Parking and Neighbours

Additional enrolments bring additional vehicle traffic. The beginning of school and the inclement weather also adds to the nightmare at pick up time. There are a number of strategies that you can work towards to assist in lessening the congestion around our school:

- Walk/Ride to school
- Bus to school
- Park and walk – park at least one block from the school and walk the rest.
- Car Pool – share the driving with a friend.
- Use the Kiss and Ride Zone – Remember to time your run so that you are not in the Green Zone before your child.

The staff carpark adjacent to the front of school and also the car park and driveway on Vintage Drive are for staff only. These areas are not designed for parents to drop off or pick up their children. Children are expected to exit the school using the concrete pathway to Vintage Drive or the main spine which runs to Ziegenfusz Road.

If you are parking in the streets behind the school, please be mindful of our neighbours and try not to restrict vehicle movements in this area. Please also be aware that there are homes adjacent to the school in Ziegenfusz Road, be mindful not to park on their property or across their driveway.

When using the school carparks DO NOT double park or sit and wait in hope for a parking bay as this stops the flow of traffic in Ziegenfusz Rd. There are NOT enough parking bays for everyone to park at the same time. Try leaving your run to school a bit later and arrange for your child to wait outside their classroom.

Before and After School Behaviour and Expectations

At BayView we have a number of procedures in place to reinforce behavioural expectations of students and to ensure students safety before and after school.

All students from Prep to Yr 6 who are at school before 8.15am are expected to meet in the Central Covered Area. While waiting there all students are expected to sit quietly and talk with their friends. At 8.15am a member of staff will release students to move to their classrooms, sit quietly and talk with friends or play a game of handball. All students including those accompanied by parents are expected to follow this procedure. This ensures consistency of behaviour across the school and is essential to educating our younger students about school expectations from the beginning of their school years at BayView.

After school all students are expected to exit the school in a timely and orderly fashion, again following the behaviour expectations of BayView. All students including those accompanied by parents are expected to follow this procedure. This includes remaining under the close supervision of parents/caregivers, no running on the paths outside classrooms, staying off the playground equipment and keeping shoes on. These expectations again are essential in ensuring consistency of behaviour throughout the school and maintain the safety of our students.
Parents waiting for students

If you wish to walk into the school to collect your child you are most welcome, however there are some considerations that I request you follow to ensure your child and their class are able to concentrate on tasks required until they are permitted to leave the classroom.

Please gather in areas that are NOT directly outside of your child’s classroom. The best place is in the Central covered Area and the seats that are positioned along the main walkway.

Please keep your conversations appropriate for the school environment. Although you are discussing topics with other adults, your voice travels in this environment.

Please keep the volume of your conversations to a minimum.

ALL playgrounds are out of bounds; please do NOT allow younger siblings to play on the playgrounds while you are waiting for the bell. This is very disruptive to the classes adjacent to the playground.

After school – ALL playgrounds are Out of Bounds.

Your support in assisting your child’s adherence to these expectations is appreciated.

Day 8 Contracts

Each year all schools have at least one of their Teacher positions that is determined by the Enrolment Census which is conducted on the eighth day of term 1. This means that if, due to enrolment numbers, a school needs to drop a class this contract can be terminated and the class dissolved. The other reason for this type of contract is that if another school in the area drops enrolments and a permanent teacher requires a transfer then they may take over the contract at our school. We will not know this until after Friday this week.

Due to further enrolments across year levels, there may continue to be some minor student movements to allow for additional enrolments during the year.

Get Started Vouchers

Due to a major change in the process of allocating Get Started Vouchers, our school was unsuccessful in gaining vouchers this round. I understand that there were many applications and many disappointed families. From the information supplied to us there has been an overwhelming response for this initiative and an oversubscription. There is nothing more we can do. All submissions received at this office will be submitted again in July for round 10.

Corporate Services News

By Mrs Lord

2017 Additional Book List Items

Each year, there are a few items required to be purchased directly from the school. Invoices for these items will be sent home before the end of this week. Payment is kindly due by Tuesday 21st February 2017.

Medication at School

If your child requires medication during school hours, please deliver it to Corporate Services. All medication must have a pharmacy label and must be accompanied by a letter from your GP. Without this letter and pharmacy label we are not permitted to administer medication. It is a school requirement that all Student Medical information, for regular medication, is updated annually. Notes requesting updated information have been sent home. We ask you return these updated signed forms at your earliest convenience.

Preferred Payment Method for Student Activities is EFT……..

Our preferred method of payment is by EFT. BayView State School’s account details are on the cover page of this newsletter. Please include the student’s name and a reason for payment as a reference so we can identify the payee. Eg (J Smith, Music Camp).

Although BPAY is nominated on all invoices, we kindly ask that you refrain from using BPAY as a payment option. Always use EFT for all student payments.
Welcome to Week 2, it has been a busy and complex time setting up for the start of the new school year. I am pleased to report that we have successfully moved into another exciting year of teaching and learning at BayView.

Teachers’ current focus in the classroom is on the curriculum in English, Maths and Science. They are working with students to embed school and classroom routines and expectations to ensure smooth classroom operation as other curriculum areas are introduced over the coming weeks. All classes have begun lessons with our Specialist teachers in PE, Music and LOTE (French). Our Extension Mandarin class for Yr 4-6 students has also begun this week. Other Specialist and Support staff are providing assistance to teachers and students across the school. Teacher Aides are working in classes across the whole school providing support.

Kiss and Ride

There has been a gradual increase in the number of cars displaying the name of their child/family clearly in the windscreen of their car as they move through Kiss and Ride in the afternoon.

A huge THANK YOU to these families. It is an enormous help.

P.S. look out for another random chocolate drop soon.

Kiss and Ride is a very busy area in the afternoons, and to increase the efficient of the Kiss and Ride process it would be helpful if all the parents who use this area could display the name of their child in the windscreen of their car (on the passenger sun visor is a great option as it can be clearly seen by staff).

When cars picking up students display their names clearly in the windscreen the supervising staff can be prepared in advance, because they can see the name of the child being collected and have them waiting in the designated area. Your child will be more closely supervised in this area while they wait. Your assistance in this area will ensure a safe and smooth process.

REMEMBER!

1. For student safety, it has always been school policy that NO student is permitted to go into the carpark area without the supervision of an adult. Parents choosing to park their cars in this area MUST cross the road to collect their children. Parents are not able to remain in their cars and “call” their children over to them.

2. For parents crossing into the school to collect their children you are walking across two pedestrian crossings. Cars and buses use both of these roads. Please model to your children the correct and safe method of crossing the road – STOP and LOOK before you cross.

3. For the safety of your child, other children and staff do not use your mobile phone while you are in the Kiss and Ride space.

4. Remember to also observe the speed limit as you approach this space. This is for the safety of the staff and children who are waiting in this space.

Welcome
By Mrs Ferrer

Welcome back everyone to an exciting 2017 School Year!

For those who are new to BayView State School, I’d like to extend the warmest of greetings and wish all of our students the very best, for the year that lies ahead.

As a time to begin another phase in students’ education, adjusting to new classes and the anticipation of being in another teacher’s class, it’s comforting to know, that at Bayview State School, the Values, Community Spirit and dedication of our Administrative Leaders, Teachers, Staff and parents, ensures that quality education and best possible outcomes are attainable for all our students.

This year, we will witness our 2017 School Captains and Student Council representatives, lead school initiatives, with our Year 6 cohort setting the example for our junior students. Correspondingly, our Prep students will walk in
the steps of such students before them, in learning, sharing ideas, working collaboratively and forming formidable relationships, which they can treasure for life a time. Likewise, witnessing our Middle Phase students, experience going to Camp for the very first time and experiencing new challenges and learning new skills.

As with our students, we also have new staff at our school, who will bring a breadth of new knowledge and experiences, whilst our foundation teachers and those who preceded them, continues to work in collaborative partnership with each other, in building the school's positive culture of learning, explicit teaching, discipline and making sure Bayview State School is a safe and enjoyable place to learn.

By attending to the role of Acting Deputy Principal, for the next term or so, it is with great pleasure, to welcome everyone once again, to a fantastic year ahead. Every new beginning, provides opportunities for new found experiences, courage to try something new and to embrace what lies ahead, with confidence!

I look forward to witnessing the many achievements of our students and wish everyone a fantastic year!

Curriculum Corner

By Mrs Blyth

THE RIGHT START TO THE SCHOOL YEAR

As a parent, there are many things you can do at home to help your child have a good school year. These include making sure your child gets enough sleep, getting to school on time, and reading at home every day. Here are some important ways to get started!

A HEALTHY DIET AND EXERCISE: Children who eat a healthy diet and get regular exercise can concentrate better during the school day. It is important that your child eats a balanced diet with plenty of fruits and vegetables, and has opportunities to exercise every day through a sports team, fun activity, or playtime outside.

SLEEP: Getting enough sleep will help your child get up on time, feel good, and be ready for a full day of learning. Children need different amounts of sleep at different ages. Ask your doctor how many hours of sleep your child needs each night.

GETTING TO SCHOOL, EVERY DAY AND ON TIME: It will be easier for your child to complete daily lessons, homework, and activities if he gets to school on time every day. Limit the time your child misses for family trips and activities.

HOMEWORK: Help your child set a regular time and place for homework. Choose a time that works well for your family’s schedule. Find a place that is quiet and has good lighting. Make sure your child has supplies such as pens, pencils, paper, and a dictionary.

TELEVISION, VIDEO GAME, AND COMPUTER TIME: Limit the time your child spends watching TV, playing video games, and using the computer. When possible, do these activities together, and look for educational programs and games.

TALKING ABOUT SCHOOL TOGETHER: Ask your child to tell you about the school day. Ask them what they learned, and how they felt during the day. Listen carefully to their answers, and help think of ways to solve any problems they might be having in their schoolwork or in the classroom.

READING: Set aside time to read with your child each day. You can make reading a part of daily routines by reading stories at bedtime and keeping lots of books and magazines in the house.

THE LIBRARY: Help your child get to know the library and what you can find there, including books, audio books, magazines, CDs, and DVDs. Libraries also offer homework resources and a quiet place for students to work.

LEARNING AT HOME: Help your child learn at home by sharing activities together, singing, talking, and telling stories. Visit educational places such as museums, the zoo, the park, or a historical monument. Find out what your child’s interests are, and look for activities and books that are connected to that interest.

Guidance News

By Ms Turner

MeCards4Kids
I will be making MeCards4Kid with students this term which is an innovative collage and poetry process for children.

I would be grateful if you could assist by providing magazines for students to use as resources for collage.
Specialist magazines about wildlife, old National Geographic’s, sporting, health, gardening magazines or history magazines would be appreciated. Really any magazines that have suitable pictures in them would be great.

Old Photographic book or books with lots of images in them would be suitable.

Please drop the items into corporate services.

Unlocking Doors
I am also looking for old keys that you might have lying around the house.

The keys will be used for another program with students called Unlocking Doors.

If you would like any information about either of these programs please phone the office on 07 3206 5222 and ask for me or email me at aturn57@eq.edu.au

Advancement Support Team
By Mrs Walters
Welcome to the beginning of 2017. I trust that everyone had a wonderful break from the usual school routines and an enjoyable summer. I am delighted to be the HOSES (Head of Special Education Services) at BayView State School and look forward to the challenges that this year will offer.

The Advancement Support Team, work closely with our classroom teachers in making adjustments and implementing inclusive strategies so that all students access the curriculum on the same basis. Students may require support for a variety of reasons including needs arising from disability, giftedness, background experiences, English as an additional language and behavioural needs.

We have a dedicated team of Support Teachers who will be working across year levels in the following way: * Prep – Stef potter (spott68@eq.edu.au) and Kate Hamilton (kjfil0@eq.edu.au) * Year 1 – Stef Potter (spott68@eq.edu.au) and Kate Hamilton (kjfil0@eq.edu.au) * Year 2 – Julieann Holzheimer (jholz6@eq.edu.au) * Year 3 – Stef Potter (spott68@eq.edu.au) and Kate Hamilton (kjfil0@eq.edu.au) * Year 4 – Stephanie Armstrong (sarms96@eq.edu.au) * Year 5 – Stephanie Armstrong (sarms96@eq.edu.au) * Year 6 – Danielle Walters (dwalt66@eq.edu.au)

Our team of support teacher aides consists of Julie Burge, Tanja Beard, Nicky Murphy, Nicole Hicks and Jacqui Lynn.

For the past week our team of staff have been working hard to support students in their new classes and plan collaboratively with classroom teachers to assess the support needs of the students. Our priority is to ensure that we provide the right level of support for each student, ensuring efficiency and inclusivity.

If you have additional information that you would like to share with the classroom teacher and support staff, we invite you to contact your child's classroom teacher and arrange a time to meet with them to exchange information relating to your child's needs and abilities. The support teachers will attend these meetings and continue working collaboratively with teachers and parents to ensure quality outcomes for all students.

Targeted Learning
By Mrs Ferrer
Welcome Everyone to 2017. Once again, the TLC team is looking forward to assisting our students in consolidating and extending their learning. The TLC will officially commence their intervention support in Week
3. For those new to our school, the TLC offers various Literacy and Numeracy Support. This year, I would like to extend a warm welcome to Mrs. Sue Donnelly (Acting HTL), Mr. Beasley & Miss Filkorn, who will be support teachers in the Centre. Similarly, we have the pleasure of having Sally Butler, Marie-Therese, Nick Hicks and Naomi Sharp, as new intervention teacher-aides, whilst Hollie Reynolds and Jacqui Lynne, continue to assist in the TLC.

We are also encouraging our community to help assist in our “Let’s Read It” Program. Any volunteers wishing to be part of this worthy cause and have time to spare, please don’t hesitate to come and see our TLC team. Shortly, parent notes will be handed out for students who are attending the TLC for 2017. This letter will outline in more detail, what programs we offer and the services we provide.

On behalf of the TLC team, we wish everyone a great 2017 and look forward to supporting our students at Bayview State School.

Discovery Centre News
By Miss Kay & Ms Carter

The best gift any parent can give a child is the love of good books and the joy and benefits of good reading. Children who read at home, or are read to, have a head start on reading success in school.

BayView State School is participating in Scholastic Book Clubs this year. Twice a term during the school year a Club flyer will be sent home with a different selection of books offered. You’ll find award-winning books, as well as old and new favourites. The books span a wide range of children’s reading levels and interests and are inexpensive (some books cost as little as $2).

The first of our Book Club Flyers have been sent home with students. Orders will need to be placed online (ONLY) by Sunday 5th February.

ONLINE ORDERS ONLY !!!!!!!!!!

1. Log on to the Bookclub website given to you on the brochure.
2. Enter BayView State School.
3. Find your child’s teacher/class from a drop down menu. All classes will be listed.

4. Type in your child’s name and what products you wish to order from the brochure.
5. Payment then is by credit card.
6. Once payment has been completed the order is placed.

If you have any problem please don’t hesitate to come and see me in the Discovery Centre before the final date for ordering.

The school receives a percentage of all orders placed by our school families. This gives us extra funds to continue to provide new resources to our students in their classrooms and in the Discovery Centre.

Thank you in advance for your continued support of Bookclub.

eLearning at BayView
by Miss Kay

The BYO iPad Program has started in Year 3. The classes are working with the iPad as a tool for learning. Below is a photo of the iPad being used in a lesson on the BayView Values. Students used the app Paper54 to demonstrate their understanding of the Value ‘Show Care and Compassion’.

From the students

3 Orchid: Hope: I have liked using the Telling Time App, to make our learning fun.

3 Coral: Lily: I have liked using the Telling Time App, because it helps me learn the time in a fun way.

Next Tuesday is Safer Internet Day. Students in years 3-6 will be a part of Education Queensland’s, The Learning Place program which will outline the following:

- understand their rights as a child for safety, respect and privacy
- recognise the difference between public and private spaces; friendly and unfriendly actions
- identify behaviours online from adults or older students which are inappropriate or unsafe
- be empowered to identify and seek help from people within their trusted adult network
• know where to find support when they are being cyberbullied or receiving unwanted contact.

Physical Education News
By Mr Beasley

Total Football Academy will be running an after School soccer program during Term 1 at Bay View State School. The program is for Prep to Year 4 Pupils. Registration forms will be distributed during a free demonstration.

During the 6 week program games will be played inside an inflatable soccer field, which captures the imagination of students, giving them a great soccer experience. Training will take place inside a skills square focusing on different skills each week, such as dribbling, turning and shooting. As part of the program players can also purchase a soccer kit (Top and Shorts).

The program starts on Friday 10th of February, 3.00pm - 4.00pm. To sign up online visit www.totalfootballacademy.com.au or call Danny Morton on 0473 344 778. Find us on Facebook for wet weather information and special offers.

Swimming Trials
Nominations are being called for the 10-12 year old 2017 Bayside District Swimming Trials. Please provide endorsed swimming times for events you wish to nominate in by Monday 6th February 2017 to Corporate Services.

Active School Sports
In conjunction with the Australian Sports commission, BayView State School is offering extra-curricular school sports programs through the Sporting Schools program this term. All activities are focused on active involvement and participation of students in sporting activities. The sessions are designed to be fun and encourage students to exercise and develop skills for a healthy active life.

The first of these programs is a Hot Shots Tennis Program which is being to Year 1 and 2 students ONLY.

The Tennis Program will be conducted in the BayView SS Hall before school from 7.30-8.30am on the following dates. Monday 6th, Monday 13th, Monday 20th & Monday 27th of February.

Please ensure you can attend each session and are on time. Tennis instruction will be co-ordinated by Gemma from Adrenaline Tennis, Cleveland. Mr Beasley will be on hand for all sessions and is available to answer any questions you may have.

Please collect, fill out and return the available forms to BVSS Corporate Services by 2.45pm Friday, 3rd February. Students are to wear appropriate clothing to allow freedom of movement in Tennis. School uniform needs to be worn after each session.

Further program information can be found on the website at www.sportingschools.gov.au or at the school.

Please note that alternative Sporting School Programs will be offered to other year levels during the term.

Creative Arts
By Mr Purnell - spurn1@eq.edu.au

Welcome to 2017 Instrumental Music (Band)
My name is Shane Purnell and I will be teaching the Band program this year. I will teach Brass, Bass Guitar, Woodwind and Percussion on Monday all day and Thursday 12pm - 3pm

Bands: Senior Band (Y5/6) - Monday afternoons after school. 2.50pm-3.40pm, Starts Week 3
Junior Band (y4/5) - Monday First Break 10.55am - 11.40. Week 6 approx. you will receive notification.

ALL STUDENTS
Continuing Year 5/6 band students – Lessons start week 2 and Senior Band will start week 3. Students, please see me at lunch time on Thursday if I haven’t already seen you.
Year 4 and 5 beginner students - Lessons will start week 2. Students please have your instrument and book ready. Band will start week 6.

Rehearsals start at the above times please be prompt.

All timetables will be given to classroom teachers. If you are unsure, please check with your classroom teacher.

Double check that you have your music and your instrument for band and lessons.

If you are absent for Band or Lessons, it is the school's policy that you must produce a note from a Parent or Guardian.

**LOAN INSTRUMENTS** - If you are using a school instrument you should have been given a loan agreement form and will need to pay the hire-fee before taking the instrument home.

Please see Mr Purnell for details.

**MUSIC LEVY** - All students are required to pay a participation levy – invoices have been sent home.

I look forward to a great year of music!

---

**COME TO FAIRYLAND!**

This year the Creative Arts Performance for BayView will be a pantomime 'Peace in Fairyland'. All students are welcome to be a part of this fun stage performance, so if your child likes to dance, act, sing and be part of a team, THEN THIS IS FOR THEM!

All you need to do is collect a form from Miss Kay at the Discovery Centre and have the form back to the Corporate Services by next Monday (6th Feb). Please note the Pantomime is in place of Wakakirri this year, as well as Dance Troupe for Semester 1.

Thank you.

---

**Chess Club**

*By Mrs Potter*

Students from Years 1-6 are invited to come along every Friday 1st break to chess club in the Rubik's Lounge (outdoor area within the Discovery Centre).

---

From beginners to experienced players all are welcome.

**Rainbow Breeze Café & Uniform Shop**

*By Emma Dibbs*

Welcome back to Term 1, we are now back up and running providing your beautiful children with lunches and snacks.

We have a new item this term, Strawberry or chocolate mousse, its 97% fat free and QAST approved and is only $1.00.

Please remember that the cut off time for normal orders is 8am sharp!!

Subway Tuesdays have started and is being run by the chaplaincy program. If you wish to order Subway please remember that the cut of day is a Saturday at 11.59pm.

Sushi is back this week on Thursdays and Fridays. To order for Thursday you will need to have your order in by 12pm on a Wednesday and for Friday sushi you will need to have your order in by 12pm on a Thursday.

---

**Uniform News**

We have new uniform shop opening times

**MONDAY** 2pm - 3pm  
**THURSDAY** 8am - 9am

---

**Chaplaincy News**

*By Leslie McMillan*

Hello to everyone in the BayView Community.

For those new to the school, my name is Leslie McMillan or as I am known to the students Chappy Les or just Chappy.

I am Bayview State School’s Chaplain. I visit the school every Tuesday and Wednesday. You will find me in the Advancement Centre opposite Corporate Services.

If you wish to contact me my email is lesliem@chappy.org.au or lmcmi39@eq.edu.au. I also have a Chappy mail box in the Discovery Centre for student messages.
Some of you may be wondering what the role of a school chaplain might be. Please find a description below. If you would like further clarification or have any questions, don’t hesitate to contact me.

Role of a Chaplain
The role of a school chaplain is to provide social, emotional and spiritual support to students, parents and staff taking into account the specific needs of the school.

Chaplains are in the prevention and support business helping students find a better way to deal with issues.

Chaplains play an invaluable role within a school community, working with other school staff to provide:

- Social and emotional support
- Breakfast program-Tues from 7.40-8.30am
- Spiritual support
  - This includes modelling own faith through actions and answering questions (when appropriate and/or with parental permission)
- Mentoring
- One on one pastoral conversations
- Community development
- Networking with outside organisations and churches
- Wednesday morning Playgroup support
  - Building rapport with future students and their parents)
- Educational support.
  - Some examples would be: support a reader, helping with craft, Extra-Curricular activities, School excursion and camp support.
- Chaplains provide a listening ear and a caring presence for kids in crisis.
- Chaplains provide support for staff and parents in school communities.

BayView Playgroup
Come and join Playgroup every Wednesday morning from 9 to 11 in the Advancement Centre. It is a lovely way to spend a morning. $2 entry & BYO morning tea. Please contact Tammie on 0407 146 240 for any enquiries.

P&C News
We’ve been selected to participate in Local Matters at Grill’d Victoria Point this February!

Local Matters is the Grill’d community donation program that sees each Grill’d restaurant donate $500 back into the community every month. The donation is split between 3 local community groups $300 / $100 / $100.

HOW YOU CAN HELP?

We’d love your support in receiving the highest $300 donation! Simply head to Grill’d Victoria Point during February for a burger and pop your Local Matters token in our jar. The group with the most tokens at the end of the month receives the largest donation.

It’s a simple (and delicious) way to show your support.

Some of you may be wondering what the role of a school chaplain might be. Please find a description below. If you would like further clarification or have any questions, don’t hesitate to contact me.

Role of a Chaplain
The role of a school chaplain is to provide social, emotional and spiritual support to students, parents and staff taking into account the specific needs of the school.

Chaplains are in the prevention and support business helping students find a better way to deal with issues.

Chaplains play an invaluable role within a school community, working with other school staff to provide:

- Social and emotional support
- Breakfast program-Tues from 7.40-8.30am
- Spiritual support
  - This includes modelling own faith through actions and answering questions (when appropriate and/or with parental permission)
- Mentoring
- One on one pastoral conversations
- Community development
- Networking with outside organisations and churches
- Wednesday morning Playgroup support
  - Building rapport with future students and their parents)
- Educational support.
  - Some examples would be: support a reader, helping with craft, Extra-Curricular activities, School excursion and camp support.
- Chaplains provide a listening ear and a caring presence for kids in crisis.
- Chaplains provide support for staff and parents in school communities.
