Principal’s Message

Value of the Week – Show Integrity

We show integrity when our actions match our words, when we make choices in line with school rules, when we wear our school uniform with pride and when we behave in a way that makes us proud to be who we are.

When we show integrity we gain respect for self and feel good about ourselves.

REDLAND’S EISTEDDFOD

Congratulations to Mr Glidden and our Senior and Junior String Ensembles, which competed in the Redland’s Eisteddfod on Monday afternoon. Our Senior Ensemble were placed 3rd and our Junior Ensemble placed 2nd. Great results for a program that is showing continued improvement commitment and growth.
Adjudicators at Eisteddfods are not obliged to award positions where point score levels are not achieved.

NAPLAN REPORTS

All Year 3 & 5 students who sat the NAPLAN Tests in May should have received their NAPLAN Reports this week. If your child did not bring this report home, please contact your class teacher. If you require a duplicate copy please contact Mrs Myler in Corporate Services.

POKEMON CARDS

These cards are ONLY to be used during the set activity in Mr Avis’ classroom. The security of these cards is the responsibility of the owner. The school does not hold any responsibility for the security or safety of these cards. Please consider if you wish your child to bring them to school.
YEAR 4 CAMP
Our Year Four students have ventured to Camp Maranatha, Yandina. They will take part in a range of team and individual activities that will challenge their self belief and trust in others. I will look forward to visiting them on Thursday.

SHOW HOLIDAY
A reminder that the Show Holiday for Redlands will occur on Monday 10 August.

RIO TINTO – RIDE TO CONQUER CANCER
Thank you to those families who have supported my challenge by donating directly to my Sponsorship page. Thank you also to all the students who supported the FREE DRESS Sports Day last Friday.

Raffle tickets are still available at Corporate Services until Wednesday 12 August.

Each year I take part in a major fundraising activity which raises money for research into childhood illness. This year I am riding 200kms on August 15/16 to raise funds for QIMR Berghofer Medical Institute research into finding a cure for cancer. I am dedicating my efforts towards child cancer research.

This year I aim to raise $2500 for this cause.

There are a number of ways in which you can support my challenge:

1. **FREE DRESS DAY** – this Friday – Favourite Sport
   a. **GOLD** coin donation to your class
   b. Drink bottles $2, wrist bands $1 for sale before school
2. Purchase a raffle ticket - $5 per ticket from Corporate Services or Student Council table before school or email Mr Black. Drawn 14/8
   PRIZE: Weekend at North Stradbroke Island, barge fee included.
   Search for Peter Black and donate.

Your support is greatly appreciated.

BAYVIEW DRESSCODE
Our Dresscode Policy is included in our Responsible Behaviour Plan for Students and is a significant part of the Enrolment Agreement which ALL families have signed for each child attending this school. This section of the code relates to fashion areas which are not permitted. Please note the highlighted section relating to hair styles. Of particular note at present is the latest trend of boy’s haircuts.

Students **are not permitted** to:

- wear any form of Necklace, Bracelet or Anklet;
  - except for Medic Alert identification;
- wear any coloured finger nail polish or fashion nails including acrylic nails;
- use any hair product that is visible and contributes to a hair style that is not acceptable to the school community.
  - Eg. Mohawk style. With the exception of special events;
- have hair styles that are not acceptable to the school community.
  - This includes Mohawks, Shaved cuts less than blade #2, Shaved Tracks and Shaved Under Cuts, as well as Rat’s Tails.
  - With the exception of special school events.
  - Any hair style that has a length below the eyebrows or shoulders must be retained.

This period of cold weather has required some extra layers for most students. I must say I still do not understand year 6 boys who only wear their school shorts and polo to school even on the coldest days. If your child needs to wear extra layers, please ensure that they are within the guidelines of the Dresscode. If they are not, your child will be asked to remove the item of clothing that does not comply. Beanies and gloves are permitted to be worn to school but are not permitted to be worn during Learning Time as they create a significant distraction for students. All jumpers must be navy in colour. It is encouraged to purchase a school jumper, however not compulsory. Jumpers that are not compliant will be asked to be placed in school bags. Please support the community’s high expectations for our
school by continuing to abide by the Enrolment Agreement which every family signed upon enrolling.

**SCHOOL OPINION SURVEY**

Each year our school takes part in the Statewide School Opinion Survey. Each family is requested to complete the survey which allows us to gauge how we are conducting our business in the eyes of our parents. Our staff and a selection of Yr 5/6 students are also surveyed. If your family did not receive a survey and you would like to complete one, please make contact with Mrs Myler in Corporate Services.

**CONCERNS AND ISSUES**

Communication is key to good partnerships. The partnership between the parent and the teacher is paramount for the greatest success of every child. The most efficient way to produce an effective partnership is to maintain regular and proactive communication, in both positive and negative circumstances. Communication is best done when there are concerns before they turn into issues. A quick email to your child’s teacher outlining your concern will usually result in a positive result before the involvement of high emotions. Emotive communication, usually has very little benefit for anyone involved. It is paramount that your child is aware of your communication with the teacher as it will strengthen their understanding of the importance of Respect, Responsibility and Accountability.

**Resilience**

Adults sometimes look back on their childhood as a time when they were always happy, but life’s ups and downs are a part of childhood too. Children need to build resilience skills to be able to both enjoy good times and deal with hard times. Helping children learn how to manage life’s ups and downs and build their coping skills supports their mental health and wellbeing now and into the future. Feeling good protects mental health and wellbeing.

Did you know that experiencing positive emotions such as joy, pleasure and having fun are essential experiences for building and maintaining a healthy mind across our whole lives?

**Skills and qualities that help children cope with life’s ups and downs**

- **Trust** - that the world is safe and that there are caring people to help them.
- **Belief** - in their ability to do things for themselves and achieve their goals.
- **Feeling good** - about themselves and feeling valued for who they are by their parents and carers.
- **Optimism** - that things generally turn out well.
- **Ability to manage their feelings, thoughts and behaviours.**

Children develop these skills and qualities and learn to keep a balance over time, initially through their experiences in coping with small stresses with help from supportive adults. When bigger stresses come along, even though at first they might feel quite distressed, children can draw on what they have learned about helping themselves to cope and feel better. Looking to others for support continues to be an effective way of coping.

**How are your child’s resilience skills developing?**

Resilience is the ability to cope with life’s ups and downs. Children’s resilience is enhanced when they:

- are loved by someone unconditionally
- have an older person outside the home they can talk to about problems and feelings
- are praised for doing things on their own and striving to achieve
- can count on their family being there when needed
- know someone they want to be like
- believe things will turn out all right
- have a sense of a power greater than themselves
- are willing to try new things
- feel that what they do makes a difference in how things turn out
- like themselves
- can focus on a task and stay with it
- have a sense of humour
- make goals and plans, both short and longer term.

Feeling optimistic and hopeful are key parts of mental health and wellbeing.

Discovery Centre News - New Bookclub – Redgum Bookclub

We have decided to try a new Bookclub as the second order this term. The new bookclub is Redgum Bookclub. Redgum Book Club supports Australian authors, illustrators and publishers to keep our Australian children’s book industry strong. If this is well supported we will continue to alternate between Scholastic Bookclub and Redgum Bookclub to provide a variety of items for you to peruse.

All orders are to be placed online by Monday 17th August. No cash payment will be accepted.

The school receives reward points for all orders placed from our school and this helps us to continue to provide new and exciting reading materials for our students.

To place orders go to www.redgumbookclub.com.au. Once you have put your books in the cart, select “Checkout” and click on the current term 3 catalogue and your school from the drop down menus. Your order will be delivered to your school after the end of the catalogue period.

Every order includes a free gift for your child. The books will be delivered to the school between 31st August – 7th September.

If you have any issues with ordering please contact me in the Discovery Centre before the 14th August.

Chappy News
News from Chappy Land!
I feel privileged to be part of an amazing school. The children make me always feel so welcome with their friendly smiles and saying good day when they pass me. The chaplaincy program has been going very well. We have started the Bay View Play group on a Wednesday morning, which has been a great pleasure to meet mums and younger siblings as well as new families in the community.

During break time, I meet up with students and this term we are making friendship bracelets using wool. I normally find a sunny spot on the lawn, and students are all welcome to join in. I am also continuing working in the garden during the last session on a Wednesday afternoon with Grade 3 students. We had great success last term with Kale, Parsley, Corn and Silver beet. This term we hope to harvest tomatoes, lettuce and chives.

Did you know? The school has a “Wellbeing Program” to help families that are going through difficult times, like having a new baby, sickness, loss of a loved one, etc. The program consists of a group of families that cook meals for families in need to make their lives a little easier. Should you ever feel you need a meal, please email me at mbri6@eq.edu.au. No obligation, or questions asked, I will arrange for the meals to be picked up at the office. Consider it as a gift from the amazing Bayview Community!

Have a great week!

It was great to see new faces and hopefully you’ll be back to help out again soon.

The children really do get a kick out of seeing mum, dad, and even nanna, pops and aunties.

Also **REMEMBER** when you do volunteer your name goes into a draw which is drawn in the first week of the new term.
