Principal’s Message

Value of the Week – Celebrate Freedom

Enjoy all the rights and privileges of Australian citizenship free from unnecessary interference or control, and stand up for the rights of others in a respectful way.

SCHOOL STARTS AT 8.40AM in EVERY classroom

No school Monday 5th October – Labour Day Holiday

TERM 3 AWARDS PARADE
Congratulations to all students who have received their GEM Awards this week. You all deserve the recognition for your continued strive for excellence.

CARPARK PROCEDURES
The carpark at the front of our school has limited spaces for long term parking. Therefore if there are no car parks left you should not be stopping in the carpark or the driveway. This causes congestion in the carpark and on Ziegenfusz Rd. I have been advised by QPS that anyone blocking the traffic on Ziegenfusz Rd, whilst waiting to enter the carpark is doing so illegally.

If there are no car parks you are expected to drive through and exit the car park and repeat the process. There are not 200 car parks and there never will be. We do have a large car park and people need to use common sense during peak time.

Use these strategies:
1. Time your run to school. Arriving at the carpark from 2.55pm onwards increases your success of securing a carpark.
2. Use the Kiss and Ride lane, but time your run.
3. Demonstrate our BayView Values. They are for adults as well as students. Good role modelling by our adults is valuable.
4. Explain our carpark system to Grandparents and anyone else that collects your child/ren. It can be confusing.

Council and Police patrols will occur before the end of term.

Safe Holiday

Keep a watch on our school these holidays. With the holidays approaching, we need you to keep an eye out for after-hours crime in our school. If you see anything suspicious, please remember to call the School Watch number – 13 17 88. The School Watch Program is a partnership between Education Queensland, the Queensland Police Service and the State Government Protective Security Service. It aims to reduce vandalism, theft and arson in Queensland schools. If you do see something suspicious, please don’t attempt to intervene. Call the School Watch number and let the local police or State Government Protective Security Service deal with the matter. Keep the number handy – 13 17 88 – and let’s work together to help create a safer school community. If you would like to know more about the School Watch Program, please call Education Queensland’s School Security Section on (07) 3237 0874.

If you see or hear anything that you believe is not appropriate please contact:

SCHOOL WATCH - 13 17 88

Holiday Safety

It is an important time to talk about Child Safety. Please make a time to discuss safety with your children before the holiday period.

Each family is different and how you talk to your children about safety will be different. Topics you may like to discuss:

- Road Safety
- Pool Safety
- Internet Safety
- Park/Playground Safety

Wishing all BayView students and families a safe and happy holiday.

Looking forward to an exciting Term 4!

Reading Success

Fluency
Fluency is not just the ability to read quickly, but the ability to make reading sound like spoken language, reading with appropriate phrasing and expression. The consolidation of reading processes allows the attention of good readers to go mainly to the
meaning of the text. They read sentences and phrases fluently, with expression, dropping down to word solving or word by word reading level only when they need to. Students who read slowly and with long pauses, working out individual words as separate units, tend to lose meaning and have difficulty understanding what they are reading. In classrooms and at home we need to:

- Provide many opportunities for oral reading and multiple reading of familiar texts
- Model reading to students to demonstrate fluency
- Select texts with rhyme, rhythm and repetition for students to read that will facilitate fluent reading
- Give opportunities to re-read familiar text to a variety of other available listeners.

Wakakirri News

The next step towards Wakakirri performance is here: week 10 is the Wakakirri performance finals!

Today, Wednesday 16th September, Wakakirri students will compete for a spot to represent Brisbane. All teachers involved are so proud of the children’s efforts so far! Given the positive adjudication we are feeling very optimistic about our potential on the big day. We just need to have plenty of rest the night before, remember to act with integrity in the community space and give our best on the day.

Congratulations on Performances

Well done to both choirs on recent performances. The BayView Voices students were so excited to perform at the Sofitel on Friday and the audience was charmed. For a first performance in front of such a huge crowd (over 500 delegates) and in such a beautiful venue, with a little thank you treat at the end, we had an exciting morning.

Well done to Junior Choir and Senior Dance for great performances on Awards Parade.

LOTE News

What a great Term 3 it's been. Students have been busy learning French verbs and constructing sentences using Grammar.
