Principal’s Message

Value of the Week - Show Understanding Tolerance and Inclusion

Understanding is using your mind to think clearly, paying careful attention to see the meaning of things. An understanding mind gives you insights and wonderful ideas. An understanding heart gives you empathy and compassion for others. Understanding is the power to think and learn and also to care.

Being Tolerant is accepting differences. You don’t expect others to think, look, speak or act just like you. You are free of prejudice, knowing that all people have feelings, needs hopes and dreams. Tolerance is also accepting things you wish were different with patience and flexibility.

Inclusiveness helps us work and live together peacefully. We feel connected with each other and all living things. We value the special individuality of each person as a gift, not as a reason to fight or be scared. With inclusion we accomplish more together than any of one of us could alone.

This is my current plan for classroom teachers for 2016. Miss Venz (Middlemount SS) and Mr Gooding (Kingston SS) are new permanent teachers to our school. Mrs Toni Broadbent is the only permanent staff member to receive a transfer, she will be heading to Kimberly Park SS. The yellow boxes highlight where I expect to have teachers, but have not confirmed. You will also notice that our contract teachers are not named, this is not possible until the complete transfer process of permanent teachers coming into and around our region is complete.

**Grandparents Day**
All Grandparents are invited to our school on **Friday 23rd between 8.45am – 10.55am** to be part of learning activities in our classrooms.

Following class you are welcome to share eating time and playtime with your grandchildren. For organisation all siblings will gather at the eating area of the youngest child.

**Come and Try it Day**
Our Year four students will be attending a sport Come and Try it Day at Cleveland Showgrounds on the 30th October. This day is designed to give them the experience of what their Interschool Sport days will be like in 2016.

**2016 Class Request Form**
This document has been emailed to you in word.doc and pdf format. Please read, complete and return to Corporate Services by 06 November for this information to be considered.

**Well Done Georgia!**
Recently Andrew Laming held a LAMSONIC backyard music festival with lots of music local talent involved.

He invited Georgia to sing 2 songs and she accepted. It was an awesome afternoon. Georgia sang beautifully.

**Class Structures**
As we approach the end of the year we begin to plan for the learning needs of our students in the New Year. This involves the careful consideration of class structures and teacher allocation. As our school continues to grow the organisation of classes may require the formation of a number of combined classes in addition to the straight classes. Generally speaking this involves the combination of two or three year levels for example Yr 1/2, 4/5, 6/7, 4/6 or a 3/4/5etc. These types of classes are commonly termed composite classes or multi-age classes.

Composite classes usually involve the class teacher teaching the curriculum of each year level to the students. For example the students in Yr 1 are taught the Yr 1 curriculum while the students in Yr 2 are taught the Yr 2 curriculum. This form of organisation ensures that students access the learning that is required for that year level.

Multi-age classes employ a slightly different form of organisation. In this classroom students are engaged in the same learning with the learning targeted at the student’s level of capability and need. This may mean that the teacher will teach the same concept to students of both year levels, as this is their learning need. Equally students have the opportunity to be extended if they are more capable or receive a higher level of support if they are experiencing difficulty in an area. Class groupings in this classroom are usually very flexible and changeable.
**Kiss and Ride**

Our aim is to have the Kiss and Ride line move freely and have children in cars as quickly and safely as possible.

A huge **THANK YOU** to the cars who had the name of the children/family displayed clearly. It was an enormous help.

Kiss and Ride is a very busy area in the afternoons, and to increase the efficient of the Kiss and Ride process it would be helpful if the parents who use this area could display the name of their child in the windscreen of their car (on the passenger sun visor is a great option as it can be clearly seen by staff).

When cars picking up students display their names clearly in the windscreen the supervising staff can be prepared in advance, because they can see the name of the child being collected and have them waiting in the designated area. Your child will be more closely supervised in this area while they wait. Your assistance in this area will ensure a safe and smooth process.

**REMEMBER!**

1. For student safety, it has always been school policy that NO student is permitted to go into the carpark area without the supervision of an adult. Parents choosing to park their cars in this area MUST cross the road to collect their children. Parents are not able to remain in their cars and “call” their children over to them.

2. For parents crossing into the school to collect their children you are walking across two pedestrian crossings. Cars and buses use both of these roads. Please model to your children the correct and safe method of crossing the road – STOP and LOOK before you cross. We have had a number of near misses with people who are crossing the road not attending and walking out in front of buses (even when supervising staff have stopped pedestrians).

That's it! The sun has set on the final hour of 15 October in the westernmost timezone. The huge and record-breaking World Education Games 2015 competition period has now ended. A HUGE congratulations to ALL students and schools who have taken part!

To celebrate such a fantastic event, the good news is that the entire platform will remain open for students to continue their cool-down for the next few days. This year's World Education Games has been one of the most successful yet, with huge numbers in every direction...!

**6 MILLION**
registered participants

**11.8 YEARS**
spent competing online by students across the last 96hrs

**169 MILLION**
UNICEF points have been earned. 3P Learning will now translate those into cash to fund a huge number of education projects in association with UNICEF, including the purchase of over 130 Schools in a Box - giving vital education to thousands of students in need. Well done to everyone on such a fantastic achievement. The world has been united in learning!

Students will shortly be able to log in and download their personal participation certificate, alongside a record of their individual points total and contribution towards the UNICEF project.

**FINAL RESULTS FOR #WEG2015 WILL BE ANNOUNCED IN THE COMING DAYS. WATCH THIS SPACE.**

**Targeted Learning Team News**

The Targeted Learning Team is welcoming any interested volunteers to register for 2016 in our Let's Read It program.

Flyers and sign on sheets can be found at Corporate Services.

Thanks to our wonderful volunteers this year, the TLC has been able to support different age groups and classes with reading support. Volunteers have the option to nominate times and days to assist with Reading and can select particular year levels to aide in their support. Professional Development and free Reading seminars will also be available for interested helpers.

Please feel free to email Shiolan Ferrer on sferr48@eq.edu.au or 3206-5222 for further details about our Let's Read It Program.

Thanks everyone for your support!!!

Term 4, 2015

Invitation to Instrumental Music Program

We are extending an invitation to students in years 3 to 6 in 2016 to consider being a part of our strings or band programs.

Letters have been sent home to all students in Years 2 and 3 regarding instrument testing.
Parents of interested students in years 4 to 6 who would like to join program in 2016 will need to contact Miss Filkorn for more information.

This week and next, interested students will be tested on instruments to ascertain which instrument is most suitable for the individual child.

An **information session will be held at school on Wednesday, 28th October at 6.30pm** to provide more insight about the program. All parents and students are welcome to attend.

If you wish for your child to participate in the instrumental program or would like further information, please email Sonia Filkorn (classroom music teacher) at sfilk1@eq.edu.au.

**Wakakirri**

Could any costumes which are at home please be returned to the Discovery Centre.

**BayView has been nominated for the People’s Choice Award**, please go to the link below if you would like to vote for our school! Thank you to the parents who organised this! Spread the word and let’s see how many likes we can get for our performance.

**Speech and Drama tickets – DREAMS**

Speech and Drama tickets are now on sale in Drama class on Thursdays and Fridays first break.

Tickets are $5 children $10 adults.

The performance is to be held Saturday 21st November at Faith College Creative Arts Building Beveridge Road, Thornlands at 1.45pm. We would love to see you there. Money in a named envelope can also be left at the Corporate Services.

Children who were given tickets are able to show up on the day and pay at the door.

**P & C News**

**P & C Meeting Dates**

Please be aware that cut off time is 8am sharp and any orders after this time will not be accepted by the system. I can **NOT** take orders over the phone after 8am.

If for any reason your child is sick and you have order them a café lunch then please call me in the café on 0452336736 and let me know between 7.30am and 7.55am.
We are always in need for help in café and I would like to thank the continuing volunteers that come week in and week out, and the new volunteers that came on Friday of last week.

It was great to see new faces and hopefully you’ll be back to help out again soon.

The children really do get a kick out of seeing mum, dad, and even nanna, pops and aunties.

Also **REMEMBER** when you do volunteer your name goes into a draw which is drawn in the first week of the new term.

The Winner of the Flexischools $50 draw last Term was **Tammie Deering, Congratulations.**

The draw was made by Mrs Raelene Murphy who teaches 4 Amber.

For Mum's and Dad's & Caregivers known to the school it is not necessary for you to have a blue card but it is always good to have one

Nanna’s Pop's Aunties etc will need to have one. I have all relevant paperwork and the best thing is its FREE!!!.

All you need to do is complete and return to Corporate Services.

**Emma & Team Baybreeze**

**Reminders:**

**Order cut-off time:** The cut off time for lunch orders to be placed via Flexischools is **8.00am**, however you may place your next week’s order at any time after cut-off.

**After School Lego Club**

Fasten your seatbelts; we’re in for some wild weather here at Bricks 4 Kidz during Term 4! This unit is all about the amazing and powerful forces of nature, as students explore the when, where, how and why of all kinds of natural phenomenon. These lessons are designed to improve your child’s understanding of the forces of nature,
while taking care not to alarm. Each model represents the motion of that particular weather or event, with a seat for a mini-figure to take in the action! Kids will love to build moving models of a tornado, a tsunami, an earthquake and a cyclone and more. Learn how they move, why they happen and what you can do to stay safe!
