Principal’s Message

Value of the Week – Be Honest and Trustworthy
Demonstrating honesty is one way of being a trustworthy person. Other traits of being trustworthy include:

- **BEING HONEST**…don’t lie, cheat or steal
- **BEING RELIABLE**….keep your promises and follow through on your commitments
- **HAVING THE COURAGE**…to do what is right, even when it seems difficult
- **BEING A GOOD FRIEND**…and don’t betray a trust
- **ARE YOU AN HONEST AND TRUSTWORTHY PERSON?**

Student Achievements

Recently two of our talented Music students sat their AMEB Music Exams. Ruth Yr5, achieved an A+ on her grade 6 piano exam. She played a piece that has been used as an audition piece for university entry. Sebastian Yr2, achieved an A+ for grade 3 piano and an A+ for grade 1 cello.

Ruth and Bryce Year 5 will be singing with the Birralee choir at the lighting of the Christmas tree in King George Square on the 27th of November at 6:30pm. Both Ruth and Bryce are featured soloists within the choir.

A number of our students travelled to Sydney last weekend to take part in the National Physie and Dance Championships. Elenya Yr 5 finished the weekend and a huge year of training and competition with a National 2nd place. She has also received an invitation to perform at the opening of the Senior Physie and Dance National Championships to be held at the Sydney Opera House.

These are amazing achievements and all four are stars in their individual fields.
2015 Year 12 Graduates
In our opening year of 2010 we enrolled 18 Year 7 students. Their parents entrusted our brand new school with the care and education of these students for their final year of primary school. In 2015, these students join with many others around the state and country, to graduate from Year 12. This is another piece of history for BayView State School. Today I attended the Cleveland District State High School Year 12 Graduation Ceremony and witnessed a number of our foundation students receive their certificates. I would like to congratulate these students and their families and wish them all the very best for their future.

2015 Calendar updates
Please stay informed of any changes to activity dates during the end of Term 4. Due to the inclusion of the Cleveland District High School Cluster Creative Arts Day our Term 4 Awards Parade has been moved.

Please check the calendar regularly for updates.

Cleveland District State High School
Student Support Services are looking for teacher aides for casual relief. The ideal candidates will have experience in a school setting or with disability support; have a caring and enthusiastic nature and a general passion for working with special needs students within a mainstream environment. You will need to be open minded and flexible to changes in daily programming and adaptable to cater for a diverse range of student needs and disabilities.

We would prefer a person who holds relevant qualifications of a Cert IV in Educational Support or similar, or is undertaking the course, but not mandatory. If you think you this is you, please forward your resume to Tanya Knorre (Head of Special Education Services), tknor2@eq.edu.au or drop it in to the office at Cleveland District State High School, addressed to the HOSES.

Staff Car Park
The carpark on school property nearest the Grounds care area has always been designated as a Staff car parking space only. Over time there have been some ongoing concerns around student safety, access by staff to their designated parking space as well as some damage to staff cars.

Recently a boom gate was installed at the entrance to this carpark. The company providing the gate has now refined the lag time between cars. PLEASE NOTE this time has been significantly reduced.

Please do not tailgate staff cars to gain access to this space. You run the risk of damage to your own vehicle as well as being liable for any damage to the boom gate.

Please use the designated Parent parking spaces for the safety of your children and property.

2016 Class Allocation
Class allocations will come home with your child’s Report Card on Wednesday 09 December.

Anyone who has not collected their Report Card by Thursday 10 December will have it mailed home on Friday 11 December.

Class structures for 2016
As our school continues to grow the organisation of classes may require the formation of a number of combined classes in addition to the straight classes. Generally speaking this involves the combination of two or three year levels for example Yr 1/2, 4/5, 6/7, 4/6 or a 3/4/5 etc. These types of classes are commonly termed composite classes or multi-age classes.

Composite classes usually involve the class teacher teaching the curriculum of each year level to the students. For example the students in Yr 1 are taught the Yr 1 curriculum while the students in Yr 2 are taught the Yr 2 curriculum. This form of organisation ensures that students access the learning that is required for that year level.
Multi-age classes employ a slightly different form of organisation. In this classroom students are engaged in the same learning with the learning targeted at the student’s level of capability and need. This may mean that the teacher will teach the same concept to students of both year levels, as this is their learning need. Equally students have the opportunity to be extended if they are more capable or receive a higher level of support if they are experiencing difficulty in an area. Class groupings in this classroom are usually very flexible and changeable.

Overseas research has shown children in composite classes do no better or worse academically than their peers in straight grade class, but that, socially, their development is enhanced. They are more confident, can operate better as part of a group, are more assertive, become more independent learners and better problem-solvers. They also make friends outside of their standard age-groups.

At Bayview in 2016 we will have composite/multi-age classes.
