Principal’s Message

Value of the Week – Give Your Best

It is deciding carefully what you want to do, then giving it 100%, holding nothing back. You give your all to a friendship, a task, or something you believe in. You finish what you start. You keep your promises. You are steadfast and persistent. You commit to your goals and overcome obstacles, no matter how long it takes or how hard it is. When you do your best, you don’t give up.

“Violence against women will only cease when men join with women to put an end to it.” Flood, M. (2002)

“Together, I believe we can be game-changers. Together with the women and girls, men and boys of the world, we can make the 21st century a century for women, with change that is irreversible, that will not only benefit women, but all of humanity.” Mlambo-Ngcuka, P. (2012)

Domestic violence (sometimes called ‘family violence’) can take many different forms including intimidation, coercion or isolation, emotional, physical, sexual, financial and spiritual abuse.

Domestic violence is a widespread though often hidden problem across Australia. It occurs in all parts of society, regardless of geographic location, socio-economic status, age, cultural and ethnic background, or religious belief, and it’s often devastating effects — psychological, social and economic, short-term and long-term — rebound on families, children, and the community as a whole.

Men’s violence against women is not just a women’s issue. It’s a social issue. It’s a men’s issue. It’s a men’s issue because it is their wives, mothers, sisters, daughters and friends whose lives are being harmed by violence and abuse. It’s a men’s issue because, as community leaders and decision-makers, men can play a pivotal role in helping to stop men’s violence against women.

It’s a men’s issue because men are in a unique position to speak out and step in when male friends and relatives insult, abuse or attack women.
Men are the victims of violence, too. While boys and men are the large majority of perpetrators of violence, boys and men are also the victims. Males are bashed up, bullied and sexually assaulted. Boys and men are most at risk of violence from other boys and men.

As a strong BayView Community I am asking everyone to start today to assist and support each other. Ask if they are ok? Offer assurance and guide anyone that you think may be suffering at the hands of violence to seek professional help: GP, Police, School.

It is only if we make a commitment to act that we will see a difference in the days, weeks, months and years to come.

Fellas, we need to be GOOD role models for our young boys and men. Let’s prop our female friends and partners up rather than putting them down. Let’s give a commitment right now to NEVER raise a hand in anger towards any female. Every girl and woman is someone’s daughter, partner, mother, aunty, grandmother and they all should be RESPECTED.

**Safe Car Park Behaviour**

With the end of the year close please adhere to our walking speed limit in the car park. A young boy was nudged by a vehicle this week on one of the crossings in the main car park. Children are unpredictable, BE AWARE.

**T Shirt Signing**

Any students who are leaving BayView at the end of 2015 and wish to have their shirt signed by classmates are to following the listed criteria:

1. Can ONLY occur in Wk10 or on the last day that the student is at school if they are leaving early.
2. Must be an additional shirt that they are carrying and NOT the shirt they are wearing.
3. The student must have their own Nikko pen and not borrow from the teacher or classroom.
4. Students are to have their parents’ permission for this to occur as no responsibility is taken at school.
5. Only signatures/appropriate comment on shirt.

**Mobile Devices – Watches**

With the introduction of the Apple Watch and other styles that have wireless connectivity our ‘Personal Technology Device at School’ policy has been updated. All personal technology devices including phones, iPads, watches that are connectivity enabled, MP3, iPods, cameras etc are to be signed into Corporate Service Centre each morning and then retrieved each afternoon. The new policy will form part of the Responsible Behaviour Plan for Students 2016.

It is preferred that all electronic equipment is not brought to school.

**2015 Calendar updates**

Please stay informed of any changes to activity dates during the end of Term 4. Due to the inclusion of the Cleveland District State High School Cluster Creative Arts Day our Term 4 Awards Parade has been moved.

Please check the calendar regularly for updates.

**Cleveland District State High School**

Student Support Services are looking for teacher aides for casual relief. The ideal candidates will have experience in a school setting or with disability support; have a caring and enthusiastic nature and a general passion for working with special needs students within a mainstream environment. You will need to be open minded and flexible to changes in daily programming and adaptable to cater for a diverse range of student needs and disabilities.

We would prefer a person who holds relevant qualifications of a Cert IV in Educational Support or similar, or is undertaking the course, but not mandatory. If you think you this is you, please forward your resume to Tanya Knorre (Head of Special Education Services), tknor2@eq.edu.au or drop it in to the office at Cleveland District State High School, addressed to the HOSES.

**Staff Car Park**

The carpark on school property nearest the Grounds care area has always been designated as a Staff car parking space only. Over time there have been some ongoing concerns around student safety, access by staff to their designated parking space as well as some damage to staff cars.

Recently a boom gate was installed at the entrance to this carpark. The company providing the gate has now refined the lag time between cars. **PLEASE NOTE this time has been significantly reduced.**
Please do not tailgate staff cars to gain access to this space. You run the risk of damage to your own vehicle as well as **being liable for any damage to the boom gate**.

Please use the designated Parent parking spaces.

**2016 Class Allocation**
Class allocations will come home with your child’s Report Card on Wednesday 09 December.

Anyone who has not collected their Report Card by Thursday 10 December will have it mailed home on Friday 11 December.

**The News & Children – Recent Events in Paris**

No matter how old your children are, threatening or upsetting news can affect them emotionally. Many can feel worried, frightened, angry or even guilty. These anxious feelings can last long after the news event is over. So what can you do as a parent to help your children deal with all of this information?

**Tips for all children**

**Reassure your children that they’re safe.** Tell your children that even though a story is getting a lot of attention, it was just one event and was most likely a very rare occurrence. Remember that your children will look to the way you handle your reactions to determine their own approach. If you stay calm, they will, too.

**Tips for younger children**

**Keep the news away.** Turn off the TV and radio when the news is on. Younger children don't need to see or hear about something that will only scare them, especially because they can easily confuse facts with fantasies or fears. Try not to minimize or discount their concerns and fears, but reassure them by explaining all the protective measures that exist to keep them safe.

**Tips for older children**

**Carefully consider your child’s maturity and temperament.** If you feel your child is highly sensitive, consider some of the measures mentioned above. For others, at this age, many children will see the morality of events in stark black-and-white terms and are in the process of developing their moral beliefs. You may have to explain the basics of prejudice, bias, and civil and religious conflict. This is a good time to ask them what they know, since they'll probably have gotten their information from friends, and you may have to correct facts. If you let your children use the Internet, go online with them. Monitor where your children are going, social media can often highlight these events with graphic pictures and heightened responses.

PCYC NEWS

Our work mobile 0421 561 136 or our email address bayviewsac@pcyc.org

Summer holiday program is now available for bookings. Thank you to all the families and children who contributed ideas. Please come and see us for a booking form. Programs and booking forms will be uploaded to www.redlandspcyc.org.au ☺

Important notice:
We have reached our capacity for bookings on Thursday afternoons. Tuesday and Wednesday bookings are becoming higher each week too. We have been extremely flexible with casual bookings but we are no longer able to do so. Please give us as much notice as possible and we will do our best but, if not possible, we will add you to our waitlist. Providing a high standard of duty of care to your children is extremely important to us and we simply do not have the
space anymore. Thank you for your understanding and continued support.

Please remember we are not here from 9am until 2pm but we are more than happy for you to leave a text message or email and we will get back to you 😊

Thank you!
