Principal’s Message

Welcome
I would like to welcome everyone to BayView State School for 2016. I trust that you had a restful and enjoyable holiday period. During this period a variety of family information can change. It is imperative for you to share with the school this information so that we have up to date records and an understanding of situations that impact on your child’s life.

BayView Values
The BayView Values are a set of nine values based on the National Framework for Schools. The nine values are:

<table>
<thead>
<tr>
<th>WEEK</th>
<th>VALUE</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>Introduce ALL Values</td>
</tr>
<tr>
<td>2</td>
<td>Be Respectful</td>
</tr>
<tr>
<td>3</td>
<td>Be Responsible</td>
</tr>
<tr>
<td>4</td>
<td>Be Honest and Trustworthy</td>
</tr>
<tr>
<td>5</td>
<td>Show care and compassion</td>
</tr>
<tr>
<td>6</td>
<td>Show understanding, tolerance and inclusion</td>
</tr>
<tr>
<td>7</td>
<td>Show integrity</td>
</tr>
<tr>
<td>8</td>
<td>Give your best</td>
</tr>
<tr>
<td>9</td>
<td>Give everyone a fair go</td>
</tr>
<tr>
<td>10</td>
<td>Celebrate freedom</td>
</tr>
</tbody>
</table>
This sequence is used by the entire community in delivering a consistent message regarding our Values. Teachers are required to explicitly teach each of the Values as prescribe in the Sequence Chart above. To support this teaching sequence, the community will be informed of the Value of the week and this shall be discussed through the newsletter, the notice board and parade. I encourage you to discuss these with your children each week.

**This week's value - Be Respectful**

We show respect by speaking and acting with courtesy. We treat others with dignity and honour the rules of our family, school and nation. Respect yourself, and others will respect you.

Reference: http://www.virtuesproject.com/virtues.html

**Parade**

Parade will be held on Tuesday afternoon from 1:45pm in the Multipurpose Hall.

**Bikes, Scooters and Skateboards**

Students are only permitted to ride bicycles to and from school. Skateboards and Scooters are **NOT** permitted at BayView State School.

Students must walk their bikes at all times when inside the school grounds. This includes the footpath from the Staff Carpark crossing across the front of the school. All students who are riding bikes must comply with the law and wear an approve helmet at all times.

Students are not permitted to ride Scooters and Skateboards to BayView State School due to the high risk of injury, to the individual and to smaller children that can occur along our school pathways inside the school.

Please discuss any concerns you have with one of our Administration Team.

**Late Arrivals**

When your child is late it affects the whole class. Your child can be anxious about walking into the classroom or to PMP and having everyone looking at them. It disturbs the general progress of the class at this time of morning and the concentration on the task that is or has been set. Students can also be confused as to where their class is, as the location of PMP activities varies.

There is the occasional time where something has occurred and you may be running late, however your morning plan should be to have your child at school well before the 8.35am bell. Any time after this bell and you are disadvantaging your child.

**ALL** late arrivals are required to report to the Corporate Service Centre to receive a late slip to hand to their class teacher.

**School Finishes at 2.40pm**

Parents/Caregivers are expected to have their children collected from school as soon after 2.40pm as possible. Staff supervise the Pick Up Zone until 3pm.

**Student Displays**

Student Work is displayed in the Corporate Services Office on a Year Level Rotation throughout the term. Parents and Carers are welcome to come and admire their children’s work.

**Fruit Break**

Our daily Fruit Break is designed to allow students to quickly refuel their bodies at approximately 10am each week day. It is expected that **ALL** students bring a piece of fresh fruit to eat at this time. No other foods are permitted at this time.

As part of our ‘Fill the Gap’ program, some fruit is available for families who are experiencing financial difficulties. Unfortunately we are starting to see an increased number of students who are choosing to collect this fruit from the office rather than consume the fruit that is supplied from home.

Class Teachers will be speaking with their classes regarding the integrity of this program. I would appreciate it if all parents/caregivers would also speak with their children around using this program appropriately so that the food is available for those who are in need.

**Car Parking and Neighbours**

Additional enrolments bring additional vehicle traffic. The beginning of school and the inclement weather also adds to the nightmare at pick up time. There are a number of strategies that you can work towards to assist in lessening the congestion around our school:
• Walk/Ride to school
• Bus to school
• Park and walk – park at least one block from the school and walk the rest.
• Car Pool – share the driving with a friend.
• Use the Kiss and Ride Zone – Remember to time your run so that you are not in the Green Zone before your child.

The staff carpark adjacent to the front of school and also the car park and driveway on Vintage Drive are for staff only. These areas are not designed for parents to drop off or pick up their children. Children are expected to exit the school using the concrete pathway to Vintage Drive or the main spine which runs to Ziegenfusz Road.

If you are parking in the streets behind the school, please be mindful of our neighbours and try not to restrict vehicle movements in this area. Please also be aware that there are homes adjacent to the school in Zeigenfusz Road, be mindful not to park on their property or across their driveway.

When using the school carparks DO NOT double park or sit and wait in hope for a parking bay as this stops the flow of traffic in Ziegnfusz Rd. There are NOT enough parking bays for everyone to park at the same time. Try leaving your run to school a bit later and arrange for your child to wait outside their classroom.

Before and After School Behaviour and Expectations
At BayView we have a number of procedures in place to reinforce behavioural expectations of students and to ensure students safety before and after school.

All students from Prep to Yr 6 who are at school before 8.15am are expected to meet in the Central Covered Area. While waiting there all students are expected to sit quietly and talk with their friends. At 8.15am a member of staff will release students to move to their classrooms, sit quietly and talk with friends or play a game of handball. All students including those accompanied by parents are expected to follow this procedure. This ensures consistency of behaviour across the school and is essential to educating our younger students about school expectations from the beginning of their school years at BayView.

After school all students are expected to exit the school in a timely and orderly fashion, again following the behaviour expectations of BayView. All students including those accompanied by parents are expected to follow this procedure. This includes remaining under the close supervision of parents/caregivers, no running on the paths outside classrooms, staying off the playground equipment and keeping shoes on. These expectations again are essential in ensuring consistency of behaviour throughout the school and maintain the safety of our students.

Parents waiting for students
If you wish to walk into the school to collect your child you are most welcome, however there are some considerations that I request you follow to ensure your child and their class are able to concentrate on tasks required until they are permitted to leave the classroom.

1. Please gather in areas that are NOT directly outside of your child’s classroom. The best place is in the Central covered Area and the seats that are positioned along the main walkway.
2. Please keep your conversations appropriate for the school environment. Although you are discussing topics with other adults, your voice travels in this environment.
3. Please keep the volume of your conversations to a minimum.
4. ALL playgrounds are out of bounds; please do NOT allow younger siblings to play on the playgrounds while you are waiting for the bell. This is very disruptive to the classes adjacent to the playground.
5. After school – ALL playgrounds are Out of Bounds.

Your support in assisting your child’s adherence to these expectations is appreciated.

Day 8 Contracts
Each year all schools have at least one of their Teacher positions that is determined by the Enrolment Census which is conducted on the eighth day of term 1. This means that if, due to enrolment numbers, a school needs to drop a class this contract can be terminated and the class dissolved. The other reason for this type of contract is that if another school in the area drops enrolments and a permanent teacher requires a transfer then they may take over the contract at
our school. We will not know this until after
Friday this week.

Due to further enrolments across year levels, there
may continue to be some minor student
movements to allow for additional enrolments
during the year.

Peter Black
Principal

The In Tray

Welcome back to another exciting year at
BayView

It has been wonderful to reconnect with current
families and welcome our new families to the
BayView community.

BayView State School prides itself on building
quality relationships between staff, students,
parents and the broader community, all working
with the common goal of providing an
environment where every person can be the best
they can be.

As a school we promote:

- excellence in learning
- relationships which are kind, caring,
supportive and productive.

Our aim is that when we reflect on 2015 we will
be able to say we have achieved these goals. The
relationships built between our staff, students and
parents will be significant in working towards the
best learning outcomes for students. If you have
any concerns or questions, please make an
appointment with your child’s class teacher so that
we can work through them together.

Kiss and Ride

Our aim is to have the Kiss and Ride line move
freely and have children in cars as quickly and
safely as possible.

Kiss and Ride is a very busy area in the
afternoons, and to increase the efficient of the
Kiss and Ride process it would be helpful if the
parents who use this area could display the name
of their child in the windscreen of their car (on the
passenger sun visor is a great option as it can be
clearly seen by staff).

When cars picking up students display their names
clearly in the windscreen the supervising staff can
be prepared in advance, because they can see the
name of the child being collected and have them
waiting in the designated area. Your child will be
more closely supervised in this area while they
wait. Your assistance in this area will ensure a
safe and smooth process.

REMEMBER!

1. For student safety, it has always been
school policy that NO student is permitted
to go into the carpark area without the
supervision of an adult. Parents choosing
to park their cars in this area MUST
cross the road to collect their children. Parents
are not able to remain in their cars and
“call” their children over to them.

2. For parents crossing into the school to
collect their children you are walking
across two pedestrian crossings. Cars and
buses use both of these roads. Please
model to your children the correct and safe
method of crossing the road – STOP and
LOOK before you cross. We have had a
number of near misses with people who
are crossing the road not attending and
walking out in front of buses (even when supervising staff have stopped pedestrians)

**Book Club due Friday 12th February**

Welcome to the new school year and a new year of Bookclub.

We will be offering two (2) different Bookclubs again this year. At the beginning of each term we will run Scholastic Bookclub and later in each term we will be offering Redgum Bookclub. This offers a bigger variety of materials for you to experience.

Bookclub materials will be distributed by the classroom teachers. All orders must be done online. **There are no cash payments to be sent to the school.** Once orders have been placed online no paperwork needs to be returned to the school. I have access to any orders placed from our school via the bookclub website. The materials will arrive at school and be distributed to the children at their class unless you contact me by email (jcart211@eq.edu.au) to notify me that you would like the materials as gifts and I will then leave the materials at Corporate Services for you to collect.

1. Log on to the Bookclub website given to you on the brochure.
2. Enter BayView State School
3. Find your child’s teacher/class from a drop down menu. All classes will be listed.
4. Type in your child’s name and what products you wish to order from the brochure.
5. Payment then is by credit card
6. Once payment has been completed the order is placed

If you have any problem please don’t hesitate to come and see me in the Discovery Centre before the final date for ordering. Any orders placed after the close off date will give you the option to pay for delivery to your own home rather than have free delivery to the school.

The school receives a percentage of all orders placed by our school families. This gives us extra funds to continue to provide new resources to our students in their classrooms and in the Discovery Centre.

Thank you in advance for your continued support of the Bookclubs we run at BayView State School. I love to see the excitement for reading that this helps to generate in our students.

**RAINFOREST RELAXATIONS TERM 1, 2016**

Rainbow Relaxations is a specially designed program to offer children of all ages a safe place to learn to relax and release any stresses and worries. Each child is acknowledged and welcomed as the individual person that they are and taught many different techniques and strategies to promote self belief and self confidence, to manage feelings of anger and frustration, to identify with their own feelings both positive and negative, to build resilience and increase concentration levels, to assist with any health concerns and so much more. All this is achieved using breath, colour and fun 😊 (Including Marie’s very own specialised skill set and qualifications)

What if I told you that Rainbow Relaxations will help your child to become the happiest person in the world!! This is not a trick - It is possible .... ask any of the children who have attended Rainbow Relaxation Classes 😊

Testimonials: “I love feeling calm and relaxed after the rainbow classes” India Yr6 "I feel so happy" Charlotte Prep.

"I like the rainbow scarves, they help me to feel calm" Jasmine Yr4 "I want to do rainbow relaxations everyday, I feel all happy” Inga Yr3.

An extra added bonus this year - All Children will receive their very own journal to write or draw their feelings and how they are travelling in themselves. They will also write down the colour we are using and what it means to them and anything else they wish to capture. This will then
become a resource book to review and also if parents are interested in knowing what their child is learning each session - they can check it out too (with the childs permission 😊).

Term 1 will be held over 7 weeks - the first class will be starting on **Tuesday 9th February through to Tuesday 22nd March 2016**.

The Investment for 7 weeks = $115.50 p/p, payable before classes start. Payment options are available, call Marie to discuss.

**Loading Zones – Drop off/Pick Up areas**

The success of loading zones requires cooperation from all motorists using it to ensure quick movement of vehicles through the area.

Please observe any time frames on the sign (see example) and only stay in the area for as long as it takes to get the children in to or out of the car within a two minute timeframe. The driver must not park the car in these signed areas and go into the school with the children or to pick up their children.

This area is designed to keep the vehicles moving. It is there for the convenience of ALL motorists.

**Please do 😊**

- Plan your trip to avoid arrival at peak times
- Pick-up or drop-off children via the car’s kerb doors
- Drive out safely
- Talk to your children about what time to be there and not to stray or wander away
- If your children are not at your arranged spot, go around the block and try again

**Do not ☹️**

- Get out of your vehicle
- Double park
- Stay more than 2 minutes
- Arrive early in the afternoon and sit in the zone
- Use staff parking areas

**Road Safety is Everyone’s Responsibility.** If you would like more information on this or any other road/child/bike safety or other transport issue, please phone your local **Road Safety Office on 1300 360 135**.
