Principal’s Message

Value of the Week – Show Integrity

We show integrity when our actions match our words, when we make choices in line with school rules, when we wear our school uniform with pride and when we behave in a way that makes us proud to be who we are.

When we show integrity we gain respect for self and feel good about ourselves.

Cluster Student Leadership Day
Our twenty four Student Leaders joined with our Cluster Schools’ Student Leadership Teams for a day of getting to know others and ourselves. The day was titled “From Ideas to Action” and was hosted by Cleveland Dist State High School. For our Student Leaders it was the first time they had spent a significant amount of time thinking and discussing what being a leader at BayView might look and feel like. Congratulations to the way each of them conducted themselves and for the planning of a very exciting project that will commence very soon.

Late Arrivals
When your child is late it affects the whole class. Your child can be anxious about walking into the classroom or to PMP and having everyone looking at them. It disturbs the general progress of the class at this time of morning and the concentration on the task that is or has been set. Students can also be confused as to where their class is, as the location of PMP activities varies.

There is the occasional time where something has occurred and you may be running late, however your morning plan should be to have your child at school well before the 8.35am bell. Any time after this bell and you are disadvantaging your child.

ALL late arrivals are required to report to the Corporate Service Centre to receive a late slip to hand to their class teacher.

Please make alternative arrangement for the care of your children if you cannot collect them by 3pm. Parents/Caregivers are expected to have their children collected from school as soon after 2.40pm as possible. Staff supervise the Pick Up Zone until 3pm.

School Sport Representation
Organising the pathways for our talented sports students is a challenging one for all involved, from the school level all the way through to national representation. It is most important that all schools lend their support by ensuring sufficient time is allocated to planned sport and that there is sufficient personnel to manage and coach at a higher level. Our school supports school sport at all levels. We participate in the Cluster level days for Yr5/6, we offer the opportunity for all students with talent to attend Bayside District Sport Trials and then support them through to the highest level that they achieve and we have a number of staff volunteering in the organisation. At Bayside District Level: Mr Robinson, Mr Gooding, Mrs Thomas and Mr Beasley. At Metropolitan East Level: Mrs Thomas and Mr Black and Qld level: Mr Black
Please thank these people for their individual efforts, because with out it there would not be any school sport.

The In Tray
Kiss and Ride
Thank you so very much to everyone who already displays their family name when they use Kiss and Ride.
Please help us with the efficient running of Kiss and Ride but displaying your family name on the sun visor of your car. Thank you.

REMEMBER!
1. For student safety, it has always been school policy that NO student is permitted to go into the carpark area without the supervision of an adult. Parents choosing to park their cars in this area MUST cross...
the road to collect their children. Parents are not able to remain in their cars and “call” their children over to them.

2. For parents crossing into the school to collect their children you are walking across two pedestrian crossings. Cars and buses use both of these roads. Please model to your children the correct and safe method of crossing the road – STOP and LOOK before you cross. We have had a number of near misses with people who are crossing the road not attending and walking out in front of buses (even when supervising staff have stopped pedestrians)

Staff Professional Learning
As a school we have established a partnership with the Marzano Institute Australia. We are using the framework in The Art and Science of Teaching to review our work at BayView State School. The framework is built around three segments
1. Routines
2. Content
3. Culture.
During staff meetings and year level meetings the staff are currently focusing on the Routines within our school and establishing what the current understanding and practice is. These routines will be reviewed and responded to as needed.

**RAINBOW RELAXATIONS TERM 1, 2016**

Rainbow Relaxations is a specially designed program to offer children of all ages a safe place to learn to relax and release any stresses and worries. Each child is acknowledged and welcomed as the individual person that they are and taught many different techniques and strategies to promote self belief and self confidence, to manage feelings of anger and frustration, to identify with their own feelings both positive and negative, to build resilience and increase concentration levels, to assist with any health concerns and so much more. All this is achieved using breath, colour and fun What if I told you that Rainbow Relaxations will help your child to become the happiest person in the world!! This is not a trick - It is possible .... ask any of the children who have attended Rainbow Relaxation Classes 😊

An extra added bonus this year - All children will receive their very own journal to write or draw their feelings and how they are travelling in themselves. They will also write down the colour we are using and what it means to them and anything else they wish to capture. This will then become a resource book to review and also if parents are interested in knowing what their child is learning each session - they can check it out too (with the childs permission 😊).

The Investment for 7 weeks = $115.50 p/p, payable before classes start. Payment options are available, call Marie to discuss.
Rainbow Class:
3-4pm (5yrs to 8yrs)
Sunshine Class:
4-5pm (9yrs to 13yrs)

For all bookings or any enquires please call Marie 0402416132 or email rainbow.relaxations@live.com
