Principals Message

Value of the Week - Show Care and Compassion

We show care and compassion by helping others, showing kindness and listening to others feelings. When we show care and compassion we develop a sense of empathy and make friends.

Term 2
Welcome to Term 2. I trust that everyone had a great holiday. I have heard many stories of exciting and imaginative activities that were experienced. This term we have many activities happening in our school for our students. These include:

1. Year 6 Camp
2. District and Regional Cross Country as well as other sports
3. ANZAC Ceremony and Community March
4. Labour Day weekend
5. NAPLAN tests
6. School Disco
7. Year 5 Camp
8. Interhouse Track & Field days
9. Assessment and Reporting

On top of all we need to try to fit in some solid school work.

Term 2 Attendance
How close to 100% attendance can you make it in Term 2?

Very shortly you will receive your child’s Term 1 Attendance Report. This report will indicate the percentage of term 1 that your child attended school. Obviously the closer to 100% that your child can be at school, the better for their learning.

Safe travel to and from School
Now is a great time to talk to your children about the safe strategies of getting to and from school. Riding, walking or going in the car, they all have risks. Please discuss them with your child.
As Principal Partners with the Dept of Education and Training’s 2015 Premier’s Reading Challenge, TUH ran the ‘Big Thank You Giveaway’ in the last Term of 2015.

Students who participated in the Reading Challenge were invited to say how their teacher inspired in them a love of reading.

*Congratulations* Mrs Hill for being such an inspiring teacher for your students.

**BayView Facebook**

Our Facebook page has commenced. Please search for our page and like it to receive our feeds. The main purpose of our page will be to add to the communication process that we have in our school. We will promote upcoming events and recognise school achievements with non identifying information. For 2016, in specific cases where individual photos or names wish to be used we will seek parental/caregiver permission.

All students currently have a Media Permission Form which has been completed on enrolment, if your circumstances have changed and you wish to edit any restrictions, please advise Corporate Services. In 2017 everyone will complete a new Media Permission Form that will include our Social Media platform.

If you have any concerns over the content that is uploaded on our Facebook page at anytime, please contact me and share your concerns.

**ANZAC**

Our school will march in the Cleveland Community March on 25 April. Please complete the permission form and return to Corporate Services.

**School ANZAC Ceremony**

Our school ceremony will be held on Tuesday 26 April at 9am in the hall. This year our school will be part of the Community Link program which recognises the 35 fallen soldiers, whose names are engraved on the Cenotaph in Cleveland. Student representatives have been invited to wear a special plaque with the name of one of the 35 fallen soldiers. This program has been arranged by the Redlands RSL.

**Year Six Camp**

Our Year 6 students are attending their final camp at Primary School at Camp Tallebudgera. They will spend the week taking part in numerous activities that will develop their confidence, responsibility and independence. Already there have been reports of great weather and exciting experiences, oh and good food.

Every Child is Important
(Information from the Australian Childhood Foundation)

Every child is unique
Individual differences in children should be encouraged and valued. Every child has his or her own contribution to make to family, friends and the community.

Children need to feel good about themselves
Positive self-esteem is feeling good about yourself, feeling that you are worthwhile. Self-esteem gives children confidence and hope in their future. Children need to like themselves, to feel that they are important, capable and that they can achieve in their lives.

Children with a healthy self-esteem feel more confident about learning and trying new things.
Ways to tell children they are important

- Tell them often that you love them for who they are
- Show them that you love them by spending time together, listening to them, giving them lots of hugs and smiles
- Celebrate their achievements, no matter how small
- Praising them for trying, no matter the outcome
- Keep special reminders of their successes and milestones
- Let them help you do things
- Let them know it is okay to make mistakes, it's all part of learning
- Help them build their strengths
- Help them solve their own problems and accept responsibility for the outcome, it lets them know you have faith and teaches them resilience
- Make limits and expectations clear and consistent
- Give feedback about appropriate or unhelpful behaviour without criticism. Feedback should aim to teach, not hurt your child.

The things our parents say to us as children often stay with us forever. Children need to feel loved and accepted just for being themselves, not only when they do things well.

Curriculum Corner

What is a barrier game? A barrier game requires two or more players sitting around a table with some kind of barrier(s) so that players cannot see each other’s materials (books, file folders, or binders can work as barriers). Every player has the same set of materials in front of them. The players take turns giving the other players very specific directions on how to arrange the materials in front of them, without any visual cues. The goal of the game is to have all the players’ materials look the same at the end of the activity.

What skills can you target using barrier games?
This is the BEST part of barrier games: you can target SO MUCH and these work really well for groups of children who are working on different goals. Here are some examples of what you can target:

- Expressive use of and receptive understanding of basic concepts such as colors, shapes, sizes, quantity, spacial, temporal, etc.
- Expressive use of and receptive understanding of basically any vocabulary (nouns, verbs, adverbs, etc) you can think of.
- Expressive ability to give one, two, three or more step directives
- Receptive ability to follow one, two, three or more step directives
- Expressive ability to ask “wh” questions
- Receptive ability to answer “wh” questions
- Storytelling/narratives
- For children working on articulation, barrier games can be used to target his/her sounds in structured or spontaneous speech

Play
…provides children with the opportunity to create, manipulate, think, explore and solve problems. Play is active – it requires children to be involved.

As young children play they develop a range of understandings, attitudes and skills. Play requires children to use and increase their understanding of words and numbers.

Parents can have a positive effect on this development by allowing time for play, providing materials and spaces for play, talking with children about their play and by taking part when appropriate.

As adults we can support this learning by

- Giving children time to play. Sometimes we are so busy that we forget to set this time aside. Children of all ages need time to play… to engage in activities which are unstructured and unregulated.
- Providing a safe and suitable place to play and letting children know the boundaries. Adults can supervise from a distance to ensure safety in public spaces without providing structure or direction in the play.
- Allowing children to choose whether they wish to play alone or with others. Solitary, quiet play is as important as social play with a number of children.
- Arranging for friends to visit or for your child to visit friends.
• For children working on fluency, barrier games can be used to target the use of smooth speech tools in structured or spontaneous speech.
• For children working on social/pragmatic skills or problem solving, you can pair up children in teams and have them work together in teams.
• The possibilities are endless!

Ideas
• Your child gets their own picture, and you take turns telling what to draw/color on the person/animal/item. Buy coloring books with characters that your child likes.
• Simply hand out a piece of paper to your child and take turns telling each other what to draw where. You may want to first give them some kind of “theme” to help guide their drawing/vocabulary.
• Cut out different shapes of different colors and give your child a matching set. Have your child create a pattern and then tell you how to create a matching pattern.

Medication at School
If your child requires medication during school hours, please deliver it to Corporate Services along with a letter from your Practitioner and the pharmacy labelled medication.

Payment Options for School Activities

*Internet Payments are preferred*
Account details are:
BSB: 064-149; Account: 10049137
You must include student’s name, and a reason for payment in the reference section, so we can identify the payee. Eg (J Smith, Music Camp).

Please refrain from using BPAY if you have more than one child at school.

Filling the Gap Program

A big thank you to the continued sponsor of our Filling the Gap Program, Peter Houliston at Freedom Property. Your support is much appreciated.
It is a pleasure working alongside such happy and industrious students each Tuesday. We love hearing the students’ ideas and seeing their concepts come to life. So….if you are interested in getting creative come on in and give it a go!

**Chaplaincy News**
Hello everyone. It has been fantastic getting out and meeting a number of you around the School. I really enjoyed the last few weeks of last term getting to know the school and all the new faces for me to learn. Things I am looking forward to this Term so far are: starting Slushy Tuesday, Year 5 camp, School ANZAC service and many more exciting things coming up in this term.

**SLUSHY TUESDAY:** We will be selling slushy's on the Tuesday for the normal cost but all funds raised will go into the chaplaincy service so that we can provide programs and many other fun things to help the chaplaincy service support the school community.

**YEAR 5 CAMP:** I am excited to say that I will be attending year 5 camp at Currumbin Community Farm and am looking forward to seeing the Year 5 students enjoying themselves.

**SCHOOL ANZAC SERVICE:** This is something I am really looking forward to on a personal level as both my parents served in the Australian Defence Force, (ADF) and I myself was an Army Cadet for 7 years during which time the spirit of the ANZAC's became a strong point in my identity and I am so thankful for the sacrifice made by each and every person who has served in the ADF.
If you ever want to contact me I am now at BayView every Tuesday, Wednesday and Friday. Most of the time I can be found walking around the school but if you can’t find me for whatever reason students can put a note in the CHAPPY’S MAIL which is located in the Advancement Centre. Parents and teachers can also contact me by either lesliem@chappy.org.au or lmcmi39@eq.edu.au

Dear Parents/Care-givers

Just some general housekeeping for café to be aware of this Term.
• Please be aware of price increases in the café this is due to the rising cost of living and also bear in mind that we have not had a significant price increase on sandwiches for over 2 years
• There are new items on the menu including Anzac cookies, cheese and crackers and more
• The winner for Term 1 Flexischools draw is Meg Mcpherson. Congratulations Meg you won $50 to spend on Flexischools.

Thank you for your continued support
Emma & team Baybreeze

Volunteers
We are always in need of volunteers, so if you feel that you can donate even 30 mins of your time to helping out in café we would love to see you.

By volunteering, you are entering yourself into a raffle to win $50 of Flexischools credit which we draw on the first week back of the next term.

Reminders:
Order cut-off time: The cut off time for lunch orders to be placed via Flexischools is 8.00am, however you may place your next week’s order at any time after cut-off.

Rainbow Relaxations Term 2
Rainbow Relaxations is very excited to inform the wonderful community at BayView State School that we currently have spaces available.

As there are limited spots within each class, it has been a little tricky for new people to come on board. This Term is a great time to come along and try a class and offer your child the opportunity to experience a place of focus, joy, peace and calm - through learning mindfulness combined with the use of the colours of the Rainbow.

The classes are held after school on a Monday in the Music room at BayView State School.

The Rainbow Class (age 5 - 8) 3-4pm
The Sunshine Class (age 9 - 13) 4-5pm

This is an afterschool activity where your child will attend once and will want to continue for the rest of their school days 😊 I'm not joking, that is what the kids say to me!

For more details or to book your spot today please call Marie 0402416132 or email: rainbow.relaxations@live.com

I look forward to meeting you very soon 😊 Marie
