**Principal’s Message**

**Value of the Week – Show Integrity**

We show integrity when our actions match our words, when we make choices in line with school rules, when we wear our school uniform with pride and when we behave in a way that makes us proud to be who we are. When we show integrity we gain respect for self and feel good about ourselves.

**NAPLAN**

Next week our Year 3 and 5 students will take part in the National Assessment Program Literacy and Numeracy – NAPLAN. These tests are a nationally recognised assessment tool that identifies where a student achieves at a specific point in the year.

NAPLAN tests identify whether all students have the literacy and numeracy skills that provide the critical foundation for their learning, and for their productive and rewarding participation in the community. Students are assessed using common national tests in reading, writing, language conventions (spelling, grammar and punctuation) and numeracy.

NAPLAN tests broadly reflect aspects of literacy and numeracy common to the curriculum in each state or territory. The types of test formats and questions are chosen so that they are familiar to teachers and students across Australia.

The best preparation that each family can give their child/ren is for a good night sleep, a relaxed preparation in the morning before school, a good quality breakfast and to arrive at school by 8.30am. These are all strategies that will reduce any additional anxiety that may be present.

**Reports are released late in Term 3**
Weather
While we wait for our weather to make its mind up, I have given every student homework this week, to check and name their hats and jumpers. I have also encourage students to place their hats and jumpers in their bags and zip them up when they are not using them. Your encouragement to take their jumpers off before play time will help reduce the number of jumpers that are left in the play areas.

Safe travel to and from School
Now is a great time to talk to your children about the safe strategies of getting to and from school. Riding, walking or going in the car, they all have risks. Please discuss them with your child.

Term 2 Attendance
How does the time your child is not at school affect them?

| He! She is only missing just... | That equals... | Which is... | and over 13 years of schooling that’s...

Rainbow Relaxations Term 2

Rainbow Relaxations is very excited to inform the wonderful community at BayView State School that we currently have spaces available.

As there are limited spots within each class, it has been a little tricky for new people to come on board. This Term is a great time to come along and try a class and offer your child the opportunity to experience a place of focus, joy, peace and calm - through learning mindfulness combined with the use of the colours of the Rainbow.
The classes are held after school on a Monday in the Music room at BayView State School.

The Rainbow Class (age 5 - 8) 3-4pm
The Sunshine Class (age 9 - 13) 4-5pm

This is an afterschool activity where your child will attend once and will want to continue for the rest of their school days 😊 I'm not joking, that is what the kids say to me!

For more details or to book your spot today please call Marie 0402416132 or email: rainbow.relaxations@live.com

I look forward to meeting you very soon 😊 Marie
