From the Principal

This week's value

Show Integrity

Integrity is living by your highest values. It is being honest and sincere. Integrity helps you to listen to your conscience, to do the right thing, and to tell the truth. You act with integrity when your words and actions match. Integrity gives you self-respect and a peaceful heart.

Class Preference Sheets - 2014

A reminder that Class Preference sheets will only be accepted up to this Friday 1 November. No preferences will be accepted past this date.

BayView State School Website

Our new website is now live. Our website will be constantly updated and will grow in size significantly over the coming months. A really exciting element of our new site is the ability for smartphone and tablet users to receive "push notifications" through favouriting BayView on the free QSchools App. Notifications of any new event added to our calendar, newsletter issue, or news items that are added to our website will be immediately available for you to access through the app. Any weather warnings will be notified via email and via the QSchools App. Of particular note; the page that has all of the links that students would like to use to access virtual learning on our school website is located under the Support and Resources menu tab, and is titled Student Resources. For further information on the QSchools app and links to download the app, go to: http://deta.qld.gov.au/about/app/qschools-app.html

Whooping Cough

It has been confirmed this week, that we have a case of Whooping Cough in the Middle Years area of the school. Appropriate medical action has been taken.

Please discuss with your child the need for good personal hygiene.

Please read the email and information sent to parents on Monday 28 October and/or visit Qld Health website for further information.

Business Services Manager

I would like to congratulate Mrs Vikki Lord who has been successful in attaining the permanent position of Business Services Manager at BayView State School. Mrs Lord has been acting in this position, since Mrs McCarthy took up her position at Beenleigh
State High School. Mrs Lord was outstanding in a field of twenty experienced applicants. Please congratulate her on a job well done and welcome her as a permanent member of our Corporate Services Team.

Swimming Date change

The Cleveland Aquatic Centre has negotiated with us for a small change of dates for our Swimming Program. Please note the new dates:

**Program #1**

11 November - 22 November

Classes - Yr 1,4 & 6/7

**Program #2**

25 November - 6 December

Classes - Yr 2,3,4/5, 5 & 5/6

Inter house Swimming Carnival Yr3-7 will be held on Monday 9th December

Student safety

1) Pedestrian Safety – This also includes students on bikes. Students who walk and ride to and from school, need to be vigilant of all traffic. We have some very busy roads around our school, including Redland Bay Cleveland Road. As much as we hope that all drivers are student aware during our busy times, we know that it is not always the case. Please reinforce with your children appropriate safety measures for their route to and from school.

2) Student Protection at School – To ensure that all students are free to feel safe to attend school it is vital that adults do not approach students to discuss any inappropriate information. This includes any social/behavioural issues that may be occurring in or out of the school. You can handle these issues either by contacting the parent direct in the case of an issue outside of school or if the issue has come into the school and is affecting the daily school day, please approach your child’s class teacher or contact a member of the Administration staff.

Breaches of Student Protection may be dealt with by the way of Section 337 of the Education Act which allows the Principal to restrict school access to persons who infringe.

**DO NOT APPROACH ANY CHILD THAT IS NOT YOURS.**

Uniforms – HAIR STYLES

Our Dress Code covers the acceptable styles of haircut that has been approved by the P&C Association. Please refresh yourself with the Dress code if you are unsure of any of the uniform requirements that are part of the Enrolment Agreement. You, as parent/caregiver have signed the Enrolment Agreement to agree to abide by the Dress Code.

Below is an extract from the Dress Code

Students are not permitted to:

- wear any form of Necklace, Bracelet or Anklet;
  - except for Medic Alert identification;
  - wear any coloured finger nail polish or fashion nails including acrylic nails;
  - use any hair product that is visible and contributes to a hair style that is not acceptable to the school community.
    - Eg. Mohawk style. With the exception of special events;
    - have hair styles that are not acceptable to the school community.
- This includes Mohawks, Shaved cuts less than blade #2, Shaved Tracks and Shaved Under Cuts, as well as Rat’s Tails.
- With the exception of special school events.
- Any hair style that has a length below the eyebrows or shoulders must be retained.

As per Department of Education and Training policy for Sport, all jewellery must be removed prior to participation in organised competitive sport.

Consequences for not abiding by the School’s Dress Code may include:

- Imposing a detention for a student during lunch or after school (if after school, inform parents before detention occurs);
- Preventing student from attending, or participating in, any activity for which student is representing school; or
- Preventing student from attending or participating in any school activity that is not an essential school educational program, including the BayView Values Awards Program.

Community Hall

You will see some additional safety fencing near Corporate Services and the Staff Carpark. This is to allow for upgrading of the Fire Hydrant pump station at the top of the school.

The steel frame of the hall certainly has made the project a reality and intrigued quite a number of our engineering interested boys in the last week.

Please note that the site entrance is via Vintage Drive, near the Ziegenfusz Rd corner.

To increase school management safety we have put in place a restricted access to the construction site during the hours of 8am-9am and 2pm-3pm. However there will be times when access to this site is required. ALWAYS BE VIGILANT in this area.

BPAY Payments

The school is currently experiencing a number of issues with the BPAY system. Your payments are being applied as credits to your children’s accounts rather than to invoices. This is creating some confusion when printing reports for excursions and camps and is delaying our receipting process.

Can I please ask that you refrain from using the BPAY system whilst we investigate the problem. You are able to pay using credit card, eftpos, cash or cheque over the counter on Tuesdays and Thursdays between 8.15am and 9.15am or via internet banking at any time which is our preferred choice.
The In Tray

Mastery of oral language is an essential contributor to success in literacy and numeracy at school. One necessary oral language skill is active listening. This is a very important part of school routine and can be easily practiced and reinforced at home.

Active Listening

Children will listen more attentively if they are aware beforehand of the reason they are required to listen. For example, you might say “I am going to tell you three important things to bring to school for the concert tomorrow.” Teachers and parents can train listening skills by providing specific ‘hands on’ activities such as Bingo, Simon Says, or Tic Tac Toe.

Barrier games are also an excellent way for children to practise giving and receiving specific instructions as well as learning prepositions, numbers and math concepts. Two players sit opposite each other, separated by a ‘screen’, (e.g. a piece of cardboard or a large book). Each player has an identical set of objects or paper and pencil. One player gives an instruction, which the other must follow. For example, “Put the frog on top of the yellow block.” At the end of a series of instructions the partition is removed and any differences between the two players’ object arrangements are discussed. You can modify the task by allowing the listener to ask for clarification, such as “Do you mean the big yellow block or the small one?” Try this one at home with your children.

A ‘busy’ scene or “Where’s Wally?” books, is an ideal stimulus for listening for details. Children are more engaged in the listening task if they can place counters on the details that they find. For example, “Put a counter on somewhere that is in shade.” Or “Put a counter on the boy with long stripy socks.” Concepts to be listened for and the length of the instruction can be varied. Similarly the instruction can be given with or without repetition. The ‘hands on’ nature of placing and collecting the counters motivates children to listen and also provides ‘evidence’ of their success with listening tasks.

Oral language development is not just for young children, we all continue to develop our understandings and vocabulary into adulthood. Try some of the above ideas for some family fun time!

Deputy Principal

Curriculum Corner

Welcome back to term 4! All classes are well on the way to developing an understanding of new genres, new concepts and above all a renewed love for learning. Perhaps the most exciting event over the next few weeks is Word Mania. Word Mania is a competition linked to Literacy Planet, where students are given a random selection of letters and are then required to make as many words as possible in 3 minutes. They can earn points for BayView State School while practicing their spelling skills. These points then rank BayView with the other schools across the country, we are currently is position 82. There is also a quiet competition between classes and teachers. Students are also able to add ‘moon buddies’, which are friends from their class and challenge them to competitions. There is no opportunity for the students to ‘chat', they simply click a button to create a 'challenge' then they play the game and their score is recorded. Don’t forget to add the launch code for your class (if your class has joined up), so that their points will be added to the school total.

The year 5's are looking at how characters and stories are portrayed in books and then they will compare and contrast this with the movie. This has been somewhat of an emotional experience as our unit is based around the book ‘Storm Boy’ by Colin Thiele. Not only can the curriculum be driven by the story in the book, but the year 5's have looked at the wider implications for the hidden messages of conservation and surviving loss.

Miss Murphy
Yr 5 Lime Teacher

By now all year 3, 5 and 7 families should have received their NAPLAN results. Once again, BayView is improving upon it’s performance as whole school and we’re very proud that every student gave their best. While NAPLAN provides only a very narrow
snapshot of what a BayView Education is about, the results reflect very positively on the Literacy and Numeracy understanding and skill development of our students. Our second round of academic reporting occurs this semester, with parent copies going home with your child in Week 10 of this term.

Term 4 is not only a businesslike term in the classroom with final assessments and learning happening, it is also events season. Teaching groups have started to put their creative hats on for the Christmas Concert (Thursday, December 5th) and their classroom end of year events. Cleveland High School is hosting their annual Creative Arts day for our senior students and the Swimming Program is only round the corner. The BVSS Awards parade and Swimming Carnival are both scheduled for the last week of school. It is wonderful to see our children shine in all of these events and I’m sure with your continued support and encouragement your children and our teaching staff will have a memorable time as we wrap up the school year.

Literacy Coach

From the Corporate Services Team

Parent/Caregiver Email Contact Information
Could parents/caregivers please conduct a housekeeping exercise on email addresses? If there has been a change of address since the beginning of 2013, could you please notify both Corporate Services AND your child’s teacher with both the OLD and REPLACEMENT email address, so all of our records including class email lists can be updated.

Student Enrolment 2014
Enrolment Applications for 2014 are now being accepted at this office. Children born between 1st July 2008 and 30th June 2009 will be eligible to enrol in Prep in 2014. Enrolment applications are available from the Corporate Services Office or via the link below. A Birth Certificate must be presented with enrolment application. Interviews for all In-Catchment enrolments will be held in Term 3 2013 and successful Out of Catchment enrolments in weeks 6-10 term 4 2012.

Please click here to download BayView SS Enrolment Application

Please click here for Catchment Area Map

Money Collection
Our payment days are **Tuesday** and **Thursday** mornings between 8.15am and 9.15am for over-the-counter payments. Cash, cheque and credit card payments can be processed during these times.

**BPAY**

If you would like to pay for a specific invoice (camp, excursion etc), please use direct deposit or over the counter at school. This way your payments can be matched to the correct invoices immediately.

*Internet Payments are preferred. Please note our account details are: BSB: 064-149; Account: 10049137.*

Don’t forget to include student’s name, and a reason for payment in the reference section, so we can identify the payee. Eg (J Smith, Music Camp)

**Early Departures / Late Arrivals**

Children who arrive late at school must be accompanied by an adult to the office and receive a Late Note for the teacher. Parents who wish to collect their children early must first go to the office and sign out their children and receive an Early Departure Note to take to the teacher.

**Student Absences**

All absences are required to be notified to the school. To assist the school’s record keeping, I would request that parents complete one of the following procedures:

1. Ring the Absence Line and leave a message – 3206 5266
2. Ring the School during office hours (8.15am – 3.30pm) – 3206 5222
3. Email the absence address – absence@bayviewss.eq.edu.au and ‘cc’ mmyle1@eq.edu.au (Mandy)

To ensure accuracy of data, please refrain from verbal explanations in passing.

**Head Lice**

From time to time, outbreaks of head lice do occur at school. We would appreciate you informing us if you find head lice in your child’s hair. If head lice are confirmed a note will be sent to all class members, so that families are aware. We would ask you to check and appropriately treat any head lice found. Treatment for head lice is available from all chemists.

**Medication at School**

If your child requires medication during school hours, please deliver it to the Corporate Services staff for safe keeping and administering. You will need to complete an “Administration of Medication” form and provide the staff with details of the medication’s name and dosage – just bring along the box/bottle which has the pharmacist advice label attached to it.

**Borrowed clothing**

If your child has borrowed spare clothes from Corporate Services, could you please return them at your earliest convenience. All borrowed clothing have BVSS written on the label.

**Lost Property**

The lost property box is located outside the back entrance of Corporate Services. We currently have a large amount of school jumpers, hats, lunchboxes and drink bottles. Please feel free to check if any of these items belong to your child/children. Please ensure that all of your child/childrens belongings are clearly named.

Creative Arts News

**B Factor Final**

On Saturday, the 18th of October, the B Factor Finals took place at the Spring Twilight Market. Six acts performed on stage to win 1st prize. These acts were chosen by school leaders, who judged them and many other great acts in Term 3. The audition competition was extremely tight with many impressive performances. The two highest scoring acts from each age group (Prep/1/2, 3/4 and 5/6/7) proceeded to the finals, where staff members judged the finalists in front of a live audience. Acts varied from dancing to singing and even a bit of comedy. The finale judges commented on the fantastic performances that each group did. The winning acts were Amy from Year 2, Sinadee from Year 4 and Lissy from Year 5 who all did stunning dance performances.

Environmental and Sustainability News

**Recycling Week 11-17th November**

*Reuse, Reduce - Re-energised!*

National Recycling Week this year is about taking our good habits of recycling at home into the community, to work and to school. At BayView we recycle all organic waste and paper/cardboard within classrooms.

Each family will receive a recycling fridge magnet. Be part of a sustainable future for our students.

**Battery Recycling @ BayView State School**  
**In partnership with Aldi Supermarkets**

Recycle all of your household batteries in the drop box located in the Corporate Services Office. We will then take them to our local Aldi stores for recycling.

Why recycle batteries?  
Household batteries contain toxic metals such as cadmium, mercury and lead, which can be harmful to the environment when
disposed of to landfill. Used rechargeable batteries are classified as a hazardous waste under the *Hazardous Waste Act 1989*. This means that they should not be disposed of with general household waste (Planet Arc, 2012).

### Vegetables for sale

*When*: Every Tuesday afternoon during and after assembly 3 Teal will be selling vegetables (when available) from our school garden.

*Where*: Outside the Café

*Cost*: Gold coin donation

All proceeds will be used to buy more equipment for the garden.

**DON’T BE A FOOL NUTRITION IS COOL**

TAKE HOME A BIG BROTHER OR BIG SISTER

Give your children the wonderful opportunity to have an international big brother or big sister by hosting one of our exceptional international students arriving in Australia in February 2014 for their 3, 5 or 10 month programs. Our international students from Germany, Italy, Finland, Colombia and Mexico will live as a local, attend a local secondary school, arrive with their own spending money and comprehensive insurance cover – all arranged by Southern Cross Cultural Exchange. Visit us at www.scce.com.au, email scceaust@scce.com.au or call us toll free on 1800 500 501, request our international student profiles, and capture the spirit of family and friendship!

Can Saver Plus assist you with education costs?

Join Saver Plus and match your savings, dollar for dollar, up to $500 for education costs including uniforms, textbooks, laptops, sports equipment, music tuition and TAFE or apprenticeship costs.

Saver Plus is Australia’s largest and longest running financial education and matched savings program, empowering over 20,000 people to save and build their financial confidence over the last 10 years.

You may be eligible if you have a Health Care or Pensioner Concession Card, are at least 18 years old, have some regular income from work (you or your partner) and have a child at school or study yourself.

To find out more, call or SMS your postcode to 1300 610 355 or email saverplus@bsl.org.au.
