

# Investing for Success

Under this agreement for 2020  
**BAYVIEW STATE SCHOOL** will receive

**\$243,712\***

## This funding will be used to

1. In English, Maths and Science increase our A-C percentage to 90% or above.
2. In English, Maths and Science increase our A-B percentage to 50% or above.
3. Achieve 95% of students at or above National Minimum Standard in Year 3 and 5 NAPLAN Reading and Numeracy
4. Achieve a 15% growth in students achieving Stanines 5 – 9 in PAT Reading in Years 2, 4 and 6

## Our initiatives include

- Partner with the Impact Center and University of QLD to improve our understanding and implementation of Critical Thinking.
- Provide targeted intervention including focused and intensive teaching for students requiring additional support in L2B and U3B based on data evidence in Prep to Year 6 from 2019.
- Provide focused, class teacher support to engage intensive teaching to extend high achieving students in Prep to Year 6.
- Provide Professional Development and coaching to ensure teachers' ability to deconstruct Australian Curriculum to improve student outcomes.
- Extend collaborative data inquiry processes to build teachers' ability to interpret data, identify and scale-up effective teaching practices and embed effective differentiation strategies.
- Consolidate teacher capability in gathering and using evidence to determine the different year-level curriculum some students require to develop and successfully implement Individual Curriculum Plans.
- Increase teachers' repertoire of effective strategies for teaching problem solving and reasoning across learning areas.
- Increase teachers' repertoire of effective strategies for teaching numeracy across learning areas.
- Support our EALD students with additional staffing FTE through our cluster based engagement.
- Support and access the MYCP at Vienna Woods SS for all families of students aged 6-9yrs who currently have behavioural and social difficulties in the classroom; and
- Continue our engagement of local early childhood centres and kindergartens to enhance knowledge of Prep expectations and to assist a smooth transition of children into Prep and Year 1

## Our school will improve student outcomes by

1. Engage Impact Centre to engage our staff in critical thinking strategies. This includes Face to Face whole staff, focused group and individual support. **\$10 000**
2. Employing a Pedagogy Mentor to provide modelling, coaching, data analysis and program development in Literacy and Numeracy.
3. Employing 1 Targeted Learning Teacher .6 to support teachers to deliver a targeted approach to engaged enrichment in Literacy and Numeracy. **\$125 712**
4. Consolidating a Head of Targeted Intervention to manage and co-ordinate support staff and programs.
5. Employing 2 teacher aides to support the targeted intervention and U3B programs; **\$98 000** and
6. Refer identified families to MYCP for focused intervention. **\$10 000**

**TOTAL: \$243 712**
